CUBA PLANE IS HIJACKED BY GUNMEN

By ROBERT D. CLARK

MIAMI, Fla. (AP)—Four gunmen—three of them fugitives from the firing squads of the Cuban revolutionary government—captured a Cuban airliner in flight today and forced the pilot at gunpoint to fly to Miami.

Seventeen startled but unharmed American and Cuban passengers were aboard the 4-engine airliner when it landed. U.S. border patrolmen immediately surrounded the plane and took the four hijackers into custody.

Three gunmen said they were members of the hated secret police force of the fallen Cuban dictator, Fulgencio Batista. The other was a former Batista air force mechanic.

Fidel Castro's rebels overthrew Batista last Jan. 1, after a 25-month war and forced him to take refuge in the Dominican Republic.

The border patrol said the gunmen would be held for a special investigation by the U.S. Immigration Service.

Capt. Candelario Delgado, 40, the plane's pilot from Havana, said one of the men placed a pistol against his neck and ordered him to fly to the Dominican Republic. The plane was en route from Havana to the Isle of Pines, 100 miles south of Havana.

"I told them, 'we do not have enough gas for such a trip,'" Delgado said. "Then they told me, 'Fly to Miami.'"

Guns also were held at the heads of the copilot, Fausto Valdez, 35, and the steward, Jose Leon, 37, throughout the 225-mile hop to Miami.

The passengers said no one was hurt or roughly treated after the gunmen took over.

Peter Kissel, 32, a Far Hills, N.J., stock broker, told reporters four men in civilian clothes took up stations in the front and rear of the plane and one pointed a pistol at the head of the pilot.

A Castro soldier on vacation, Aradjo Consuegro, 18, grappled with the gunmen but was disarmed.

Suggestion That Steel Prices Be Frozen Rejected

NEW YORK (AP)—A union proposal that steel prices be frozen has been rejected by the nation's 12 largest steel companies.

The companies told the United Steelworkers of America that "it would be completely unlawful for the steel companies to agree among themselves or with your union on the prices to be charged for steel products."

The union contends a price freeze in the industry would not violate federal antitrust laws.

In a letter to Union President David J. McDonald Wednesday, the companies also turned down a proposal that they increase wages and other benefits in a new contract on the basis of output per man-hour and profits.

The companies, however, agreed to the union proposal that contract negotiations start May 4, instead of May 18 as scheduled. The letter told the union: "Our bargaining team is prepared to meet with yours at any time."

The current contract, covering half a million workers in the industry, expires June 30.

Scared Girl Is Accused of Murder "Upon Urge To Kill"

REDWOOD CITY, Calif. (AP)—A chubby, 18-year-old blonde who said she fired 18 bullets into a young father because of an urge to kill is "just a scared girl" to a psychiatrist.

Dr. Walter Rappaport, chief of a state mental hospital, talked with pony-tailed Rosemarie Bjorkland Wednesday, a few hours after she told Sheriff Earl B. Whitmore she killed August Norry, 28, on Feb. 1 as he dumped grass cuttings.

"I wanted to see if I could commit a murder and not have it on my conscience," Miss Bjorkland,

Speaker Has Plan To Avoid Sales Tax

HARRISBURG (AP)—Pennsylvanians complaining about paying the new 3½ per cent sales tax have this advice from House Speaker H. G. Andrews (D-Cambria):

"You can avoid all taxes if you don't smoke, if you don't eat, if you don't buy anything, if you don't go anywhere, if you don't see anything, if you don't live and if you don't die."

Andrews told the House Wednesday that this was the analysis of the tax bill given him by parliamentarian Edward S. Moore.

2 to 21 Year Term Given Mrs. Nicholas

INDIANAPOLIS (AP)—Connie Nicholas, disappointed by her conviction of voluntary manslaughter of her wealthy lover, was taken to the Indiana Women's Prison today to start a term of 2 to 21 years.

Sheriff's deputies whisked her to the prison in Indianapolis less than an hour after her sentencing, with plans for an appeal still up in the air.

"We probably will appeal," said Charles W. Reymmes, one of her lawyers.

The jury of 12 married men returned the manslaughter conviction early today.

Immediately after Judge Thomas J. Faulconer pronounced sentence, the 45-year-old double divorcee turned in annoyance to her lawyers and said:

"I thought we were going to appeal and get bond set."

"We still can," said Joseph Quill, one of her three lawyers. Mrs. Nicholas, who will be eligible for parole in 21 months, said she was "very disappointed" by the manslaughter conviction.

"I had hoped for acquittal all along," she told newsmen.

The conviction calls for a mandatory 2-to-21-year prison term. It is the highest verdict she could have received, except acquittal.

Mrs. Nicholas, 45, clad in black, stood erect and showed no emotion when the verdict was read. She will be sentenced later today. She will be eligible for parole in 21 months.

Defense lawyers said any appeal of the sentence would have to be initiated by Mrs. Nicholas.

The jury reached its verdict at 1:50 a.m., and the defendant, summoned after her jail cell, heard it half an hour later.

The tiny prisoner—5 feet 1 and weighing 105 pounds—declined to discuss the verdict.

This was a complete about-face from her demeanor during the trial, which started exactly a month ago today. Then, she talked freely and at one time was admonished by her attorneys to keep (Turn to Page Twenty)

Long Terms for Six Convicted of Treason

DENVER, Colo. (AP)—Three men and three women convicted of conspiring to teach the violent overthrow of the federal government were sentenced Wednesday to prison terms and were fined a total of \$16,500.

The prison sentences range from 2½ to 5 years.

The six, all former Communist party officials, were given identical sentences after a 1955 conviction. The 10th U.S. Circuit Court of Appeals threw out that ruling and ordered a new trial. It ended with their conviction March 11.

a clerk-typist, was quoted by Whitmore. "I've felt better ever since I killed him."

Norry, married and expecting to become a father, was only a casual acquaintance who happened along when she was target practicing in the hills near her Daly City home, just south of San Francisco, she said. An urge to kill that had obsessed her for at least two years became impossible to control when Norry happened to be in the target practice area, she related.

Area Is Participating in National Operation-Alert Scheduled Friday Morning

Residents are reminded of the national Operation-Alert scheduled for tomorrow, when in cooperation with the Office of Defense and Mobilization and county Civil Defense officials, they will be asked to observe and cooperate in an extended "take cover" test.

After the first warning signal, the yellow alert will exist with "take cover" action expected sometime during the afternoon hours. It is advised that people stay tuned from 11:30 a. m. to radio stations participating in the Conelrad test to keep informed as to proper procedure.

Chief of Police announces that policemen and auxiliary police will assist in the alert with cruisers and loudspeakers to be in operation. The department will stop all vehicles for the designated period except trains and buses.

Postmaster B. S. Knabenshue has issued an order for mail carriers to observe the "take cover" signal and to assist civil defense in every way possible. School children will review civil defense procedure in the school buildings and every citizen is urged to cooperate fully with the operation.

This evening from 8:00 until 9:00 p. m. local Civil Defense will conduct a test simulating recent flood action. Many flood victims will volunteer to carry out the program.

HARRISBURG (AP)—Pennsylvania joins with the rest of the nation in a practice air raid alert Friday with state civil defense officials taking a back seat.

"This alert will find state headquarters a participant rather than over all controller," said Craig Williamson, operations officer.

"We want this operation to be one between the county and local municipalities with us here at headquarters sort of just looking on."

He said the alert will be sounded between 9:30 a. m. and 5 p. m.

All radio and television stations will go off the air for a half hour starting at 11:30 a. m. The only exceptions will be those with Conelrad Broadcasts. Conelrad means "control of electro magnetic radiation."

It is designed to prevent a potential enemy from making a false broadcast intended to confuse civilians during an attack. The Conelrad outlets on your radio dial—1240 and 640—are designed to inform the public of what to do in such an emergency.

Montreal Hotel Guest Suicides With Dynamite

MONTREAL (AP)—A man carrying 20 sticks of dynamite in an overnight bag registered at the downtown Queen's Hotel Wednesday night. Less than two hours later a blast shook the building, taking his life and injuring two persons.

Detectives said it was suicide and that the man was Guy Charbonneau, about 40, from the farming community of St. Lin. Que., 35 miles north of Montreal.

Police had no immediate clues to his motive, and no note was found.

His fourth floor room and one adjoining were demolished. But there was no damage to a room three doors away in which a U.S. space expert, Dr. John P. Hagen, was registered. Dr. Hagen, chief of the U.S. Vanguard satellite project, was addressing a chemical meeting on the hotel's main floor at the time.

The blast punched a four-foot hole through the ceiling of the room below Charbonneau's, slightly cutting its two occupants.

FINALLY HAPPENS BALDWIN PARK, Calif. (AP)—Robert Wren, 50, a truck driver, worked all night on his income tax return. Then he slashed his wrist, temple and ankle with a bread knife, police reported. His wife Wilma found him bleeding on his bed and summoned police. He was reported in serious condition at a hospital.

Court Reverses Conviction in Turnpike Trial

By JOE BRADIS

PITTSBURGH (AP)—The State Superior Court today reversed the conviction of G. Franklin McSorley, former chairman of the Pennsylvania Turnpike Commission, on charges of misconduct in office.

McSorley, a Pittsburgh business man had been sentenced to from two to four months in prison and ordered to pay a \$1,000 fine and court costs.

The former turnpike commissioner was accused of keeping a driver on the state payroll to chauffeur former Turnpike Commission Chairman Thomas J. Evans for eight months after the latter retired.

McSorley was sentenced in Dauphin County Court. He appealed the sentence to the Superior Court.

The Superior Court opinion, written by Judge Blair Gunther, said there is no evidence from which the jury could have inferred corrupt motive on the part of the defendant. It added:

"The judgment of the court below is reversed and the defendant is discharged."

McSorley contended Evans was giving the commission his advice and the benefit of his experience as chairman for years.

When McSorley was sentenced by Judge Homer L. Kreider last Aug. 27 in Dauphin County Court, his legal counsel said McSorley had been "more severely punished than his misdemeanor would require."

Two - Months-Old Baby Abandoned In Illinois Town

CHICAGO (AP)—April Dawn—a time of freshness and beauty—was the name given a baby brought to the Community Hospital in suburban Zion Wednesday.

That isn't her true name. But it was considered by nurses and hospital workers just right for the pretty baby girl who was found abandoned in a cardboard box on the front lawn of a Zion home.

Cries from the box were heard by Beverly Smith, 31, as she walked by the home of Mr. and Mrs. William Schmidt shortly after dawn. She found the baby, about two months old, shivering inside a pink embroidered kimono and three blankets. Temperatures were in the 40s.

The astonished Mrs. Smith took the foundling into the Schmidts' home and told them she found the baby in a box on their lawn. The Schmidts recalled they had seen the box when they returned home near midnight but thought someone had thrown it on the lawn.

Mrs. Smith and Mrs. Schmidt warmed the baby and fed her formula left with her in the box.

April Dawn, who has dark brown hair and blue eyes and weighs a plump 9 pounds 7 ounces, was the pet of the nursery.

"We'll call her April Dawn—it was such a beautiful morning," said Gertrude Haase, hospital manager.

Potato Growers Elect Kin of Vice President

HARRISBURG (AP)—Pennsylvania's organized potato growers today named a cousin of Vice President Nixon as their president.

Leland Nixon, who owns a large potato farm near State College, was elected head of the State Cooperative Potato Growers' Assn. at a meeting of the board of directors here. He moves up to the new post from first vice president, succeeding Ivan Miller of Cory.

Washington Gives Castro Big Welcome

By ROBERT BERRELEZ

WASHINGTON (AP)—Fidel Castro, welcomed with a noisy reception he said he found delightful, begins a two-week tour today to "promote Cuba" among Americans and Canadians.

The bearded Cuban Prime Minister was greeted with cries of "Viva Castro"—Long live Castro—from a crowd of flag-waving Cuban supporters when he arrived Wednesday night by plane.

Wearing a familiar combat uniform, the smiling revolutionary leader told the airport crowd, "I hope in some way I can bring a better understanding of our program in Cuba to the people of the United States and that they will have a better understanding of our situation."

Then, ignoring his waiting limousine, he headed for a wire fence behind which most of the spectators had been kept waiting. There he hugged many of his ad-

Rubber Workers Strike Goodrich And Firestone

AKRON, Ohio (AP)—The United Rubber Workers Union today struck the B. F. Goodrich Co. and Firestone Tire & Rubber Co., raising to about 58,000 the number of production workers out in the union's biggest strike.

Only the Goodyear Tire & Rubber Co. among the tire-building industry's Big Four continued in operation. When Goodyear's contract with the union expired last mid-

night, some progress had been made, and bargaining covering 21,000 workers was recessed until today.

The other member of the Big Four, the United States Rubber Co., was struck by the URW last Thursday. About 26,000 production workers walked out then. Today's strikes added 18,000 production workers at Firestone and 14,000 at Goodrich to those idle.

This is the first time the union has undertaken strikes against three of the Big Four at the same time. The last major walkout in the industry involved a 52-day strike against Goodyear in 1954, with that strike extended also to Firestone for the last two weeks.

Wages are not an issue. Pensions, insurance and supplemental benefits were among the matters being discussed in a new contract. Neither side has disclosed demands, offers or key points on which the bargaining deadlocked.

Here, where Goodrich employs about 7,800 and Firestone-6,550, picketing was peaceful. Some office workers were kept out at the Goodrich plant for a while, but later were allowed to enter.

LUCE VOTE DELAYED WASHINGTON (AP)—The Senate Foreign Relations Committee has delayed until next week a vote on whether to recommend approval of Mrs. Clare Boothe Luce as ambassador to Brazil.

Delay on the vote which had been expected Wednesday was ordered so committee members not present could read a record of the hearing. The committee will meet again Tuesday.

Spurging Customer Proves To Be Gunman

DETROIT, (AP)—A man who said "my wife spurned me for Easter, now it's my turn" spent 45 minutes choosing shirts, ties and other apparel in a store yesterday.

Then he turned a gun on the clerk, took \$75 from the cash register and fled with both the money and the clothing.

Russia Protests Altitude Flights Of Cargo Plane

By GEORGE BOULTWOOD

BONN, Germany (AP)—The Soviet Union has protested against the high-altitude flight to Berlin Wednesday by an American Air Force cargo plane, an informed Allied source reported.

The source said the Soviet representative at the four-power air safety center in Berlin made the protest verbally. This group controls flights between Berlin and the West.

The C130 turboprop flew into and out of Berlin at between 20,000 and 25,000 feet. It was the third American trip to Berlin in nearly three weeks at altitudes above the 10,000-foot level the Soviets contend is the maximum for Allied planes. The Western Allies maintain that they can fly at any level in the corridors to Berlin.

U.S. officials said Wednesday that two Soviet jet fighters shadowed the latest American plane closely but did not buzz it as Soviet MIGs did two previous flights. But today, American sources said later information from Berlin showed "dangerous harassment, or buzzing as it is popularly called, did occur."

As British papers accused the U.S. Air Force of endangering the prospects of East-West negotiations by the flights, a British Embassy spokesman in Bonn said the British had been informed beforehand of the flight but were not "consulted."

New Boy Scout Executive Takes Warren Position

H. Bruce Ayars, new Scout executive, arrived in Warren yesterday to assume the duties of his office with Chief Commissioner Council, Boy Scouts of America.

During his visit to the Times-Mirror editorial office today, Mr. Ayars said that he was most anxious to secure living quarters here in order to have his family join him as soon as possible. The couple has two small children. Those with knowledge of rental properties may call the scout office 244.

The executive formerly served as district executive in Wilmington, Del., and began his professional career in Philadelphia where was a field executive.

Eminently qualified to serve the best interests of boy scouting in the area, Mr. Ayars succeeds Elmer Morgan, who has moved to Easton where he continues in the post held locally.

Ayars, a University of Delaware graduate, served three years with the U. S. Army and is an Eagle Scout. He has seen scoutmaster duty prior to entering professional scout work.

The community welcomes the 35 year old executive and looks forward to meeting his wife, son and daughter in the near future.

Haircuts in Philly Will Remain the Same

PHILADELPHIA (AP)—Chapter 740 of the Associated Master Barbers of America decided Wednesday that "conditions do not warrant" an increase in the price of men's haircuts.

It was good news for Philadelphians. Only last week they got word from another barbering group, the Pennsylvania League of Master Barbers, that conditions do warrant an increase—from \$1.50 to \$2 a head by August.

There was no immediate comment by the Pennsylvania Master Barbers on the action by the Associated Master Barbers, a great bunch of guys.

New Sales Tax Greeted With Varied Reactions

HARRISBURG (AP)—Varied reaction, much of it negative, mounted today over Pennsylvania's new 3½ per cent sales tax.

The talk started shortly after the sales tax bill was signed by Gov. Lawrence Wednesday.

Rep. John E. Whittaker (R-Lycoming) called it a "yoke upon the necks of labor" in a House speech.

A labor spokesman said the measure was all right in a fiscal emergency, but would be "undesirable as a permanent tax policy or philosophy."

With that statement, Harry Boyer, president of the State CIO Council, disagreed with Lawrence who told newsmen earlier that he considered the tax a permanent part of Pennsylvania's tax structure.

PRESIDENT CONTINUES TO DEFER ANNOUNCEMENT ON VACANCY IN HIS CABINET

By MARVIN L. ARROWSMITH

AUGUSTA, Ga. (AP)—President Eisenhower today conferred with hospitalized John Foster Dulles regarding selection of a new secretary of state.

Dulles, who resigned from the top State Department job Wednesday because of cancer, also talked by telephone with Eisenhower that night about a successor.

The President continued to defer announcement of a successor, but Undersecretary of State Christian A. Herter was reported after the Eisenhower-Dulles talks to still have the inside track.

Dulles talked to Eisenhower from his room at Walter Reed Army Hospital Washington. Eisenhower was at his vacation cottage at the Augusta National Golf Club.

After today's talk, the White House announced Eisenhower's formal acceptance of Dulles' resignation. It made public an exchange of letters between the President and the retiring secretary.

Eisenhower reiterated his warm affection for the 71-year-old Dulles.

"You have been a staunch bulwark of our nation against the machination of imperialism communism. You have won to the side of the free world countless people, and inspired in them renewed courage and determination to fight for freedom and principle," Eisenhower wrote.

"As a statesman of world stature you have set a record in the stewardship of our foreign relations that stands clear and strong for all to see."

At the same time, Eisenhower formally requested Dulles "to serve in the future, to whatever extent your health will permit, as a consultant to me and the State Department in international affairs."

In his formal letter of resignation, Dulles wrote Eisenhower: "It is apparent to me that I shall not be well enough soon enough to continue to serve as secretary of state."

Dulles wrote further that he was brought up in the belief that this nation was founded with a mission "to help build where liberty and justice would prevail." He added: "Today that concept faces a formidable and ruthless challenge from international communism. This has made it manifestly difficult to adhere steadfastly to our national idealism and national mission, and at the same time avoid the awful catastrophe of war."

Dulles, in a letter dated Wednesday, also told the President: "If I can, in a more limited capacity, continue to serve, I shall be happy to do so."

James C. Hagerty, White House press secretary, reported today that Eisenhower also discussed the matter of a Dulles successor with staff aides.

With the President at the breakfast session were Hagerty, Gordon Gray, a special assistant on national security matters, and Brig. Gen. Andrew J. Goodpaster, White House staff secretary.

Hagerty also indicated that Vice

Flying Fugitive Awaits Hearing In Laredo, Tex.

LAREDO, Tex. (AP)—Flying bank robber Frank Sprenz, brought to earth by a Mexican cow, sat in jail today awaiting a removal hearing.

Sprenz, 29, heard U.S. Commissioner Frank V. Hill set his bond at \$100,000 Wednesday. The commissioner continued a removal hearing until copies of the warrant for the arrest of the Ohio man arrived from Cincinnati.

Sprenz was on the FBI's list of the 10 most wanted criminals.

Usually a smooth and quick talker, Sprenz refused to answer newsmen's questions when he was brought across the border from Mexico.

Mexican police nabbed him at Cozumel, a Yucatan island resort, Tuesday. He was driven to Laredo.

The balding, slender prisoner told FBI agents the airplane he had flown down the Texas coast to Mexico was wrecked April 3 when a cow got in his path on takeoff and smashed a wing. He was attempting to take off from a beach between Tampico and Vera Cruz.

NEW SPEED RECORD LAS VEGAS, Nev. (AP)—A McDonnell RF101 Voodoo, the world's fastest prop reconaissance aircraft, streaked to its fifth speed record Wednesday.

Piloted by Air Force Capt. George A. Edwards Jr., the plane roared over a triangular 500-kilometer course at 816.279 m.p.h. The world record was announced by the Tactical Air Command at the World Congress of Flight.

New Law To Involve Merged School Areas

HARRISBURG (AP) — A new law signed by Gov. Lawrence Wednesday will allow voters in primary elections to decide on whether to form union or merged school districts.

Under present law the question may be submitted only at general or municipal elections.

Since unions or mergers become effective on the first Monday of July, the new law will permit voting on school merger proposals at the May primary, instead of the November election. This would allow school districts with merger or union plans to save a year.

Gov. Lawrence also signed into law a bill allowing physicians from outside Pennsylvania to certify a prospective teacher's mental and physical health.

A third school measure signed into law requires children to be vaccinated before they go to kindergarten. The old law required vaccination only before entering first grade.

Conelrad Test Is Planned Tomorrow

The Warren Television Corporation reminds television viewers of the Conelrad test scheduled for 11:30 a. m. EST tomorrow. About 1200 participating AM stations will remain on the air, while TV, FM and nonparticipating AM's will go off.

Each station leaving the air will announce — "This station now leaves the air to cooperate with the U. S. government in conducting a Conelrad drill. Please tune your radio to 640 or 1240 kc for a special civil defense program. Normal broadcasting will be resumed in approximately 30 minutes."

One difference is noted from previous tests. Conelrad stations in each cluster will remain on the air 3 to 5 minutes instead of 30 seconds. The drill is part of "Operation Alert-1959" to be conducted by the Office of Civil and Defense Mobilization.

Men and women more than sixty years old are invited to join while the organization is still young.

Boyle's Column

By HAL BOYLE

NEW YORK (AP)—Would you like a year in which every day seemed like Saturday? Would you like a 365-day paid vacation from work? The idea of a year off from your job to rest or study has been seriously advanced by Arthur Carstens, a University of California labor expert.

Carstens believes such year-long holidays, to be financed jointly by employers and the state, would benefit workers. They would, he said, "cut down the toll of pressure that makes widows of half of the nation's women."

He doesn't take into consideration the other half of the picture: If he gives his husbands underfoot for a 12-month stretch, half the men would wind up widowers.

But progress always has its price, and this is a risk most thoughtful men would be willing to take.

As we see it, Carstens' proposal for a sabbatical year is of value only if the year away from office and factory were wisely spent.

Some showoffs, naturally, would try to impress the boss by enrolling for the year at Harvard, which only would mix them up. It takes four years of Harvard to remove the confusion from a man. Even then the diploma carries no guarantee.

What really is needed is a soundly planned program which will enable the individual, at the end of his year of enforced leisure, to return to the job a happier, more rounded man.

We have drawn up such a daily program for ourself — in the unlikely event our boss gives us a year off—and suggest you might find it useful too.

Here is our day:

7:00—Wake up and laugh at silent alarm clock, which has been turned off the night before.

7:00-7:01 — Brisk calisthenics

Boyle's Column

while lying in bed.

7:01-9—Go back to sleep.

9-9:30—Debate whether to shave. Decide not to.

9:30-10 — Read newspaper and breakfast—bourbon, toast, bacon, eggs, coffee.

10-11—Give wife orders of the day, and point out her errors of the day before.

11-11:15 — Coffee and bourbon break, spent resting on sofa.

11:15-12:15 — Front porch rocking chair session. Make plans on how to spend tomorrow in constructive way.

12:15-12:30 — Highball with next door neighbor.

12:30-1:30 — Lunch: Beer, beef sandwich, apple pie and cheese.

1:30-1:35—Read good book to improve mind.

1:35-3—Nap on sofa.

3-3:15 — Coffee and bourbon break.

3:15-4:45 — Back porch rocking chair session to get benefit of afternoon sun. Review morning's plans for tomorrow, decide tomorrow is a bad day to start any new projects.

4:45-5 — Inspect vegetable garden, point out to wife areas where she should do more hoeing.

5-5:30—Cocktail hour.

5:30-9:30—Dinner: Wine, sirloin steak, salad, mashed potatoes and gravy, ice cream.

9:30-11:59 — Discuss with wife why world is going to hell, lay out her work schedule for next day.

11:59-12:00 — Write postcard to boss saying how much you miss the old office gang, and how you're champing at the bit to get back.

12-12:01—Go to bed with second

good book of day to improve mind.

12:01—Throw book out window and fall asleep.

Of course, no program is ideal for everybody and you may change this one in small ways.

But if you follow it rigorously one thing is sure:

At the end of your sabbatical year you'll be eager to return to your job—so you can start planning on your pension, when you'll be able to live this way the rest of your life.

European Allies Express Regret Over Retirement

LONDON (AP)—America's European allies viewed the resignation of John Foster Dulles as the loss of a major bulwark against Communist pressure.

In view of his precarious physical condition, his departure from office as U.S. secretary of state had been generally expected. Expressions of regret were nonetheless widespread.

British Prime Minister Harold Macmillan said in a press statement: "This is, indeed, sad news. President Eisenhower once referred to Dulles as a dedicated man. From my long experience of him I know how true this is."

In Bonn, West German officials privately expressed their deep regret. There was no immediate formal statement.

Dep. Chairman Herbert Wehner of the opposition West German Socialists, who have not often seen eye to eye with Dulles, said past disagreements faded away "in the face of the human tragedy" behind Dulles' decision to resign.

Top officials and ordinary citizens—joined in lauding Dulles as a tower of strength in the defense of that Communist-threatened city.

French President Charles de Gaulle and his Cabinet were in session in Paris when the resignation of Dulles was announced, and there was no immediate comment.

But observers recalled that Dulles' firm stand against giving way to Soviet pressures on Berlin and Germany closely meshed with De Gaulle's views.

In Vienna, most Austrians felt a sense of loss, because they felt Dulles was a bulwark of a firm policy against concessions to the Soviets.

In Ottawa, the resignation evoked feelings of sorrow among Canadians coupled with admiration for Dulles' valiant fight against cancer.

Moscow radio reported the resignation without comment.

You're steadier...
more secure...

...in a road-hugging Wide-Track Pontiac!

Take all its beauty, balance it gracefully on a wider, steadier wheel design and you have a car the likes of which you've never owned. The wheels are five inches farther apart. This widens the stance, but not the car. You're secure at the controls, more comfortable from head to toe. There's a noticeable lack of lean and sway. Narrow track cars fall far short by comparison. Wouldn't this be a good day for you to drive this sweet automobile? The keys are waiting.

THE ONLY CAR WITH WIDE-TRACK WHEELS

Dotted lines show conventional wheel positions. Pontiac's wheels are five inches farther apart. This widens the stance, not the car itself. Pontiac takes a better grip on the road, hugs tighter on curves and corners. Sway and lean are considerably reduced, ride is smoother, balanced, steadier.

HERTER'S AFFLICTIONS
Christian A. Herter's arthritis may be a factor in whether he succeeds John Foster Dulles as secretary of state, according to an Associated Press dispatch. President Eisenhower, it is believed, would consider whether the affliction would interfere with Herter's being an active foreign policy chief. He is presently acting Secretary of State.

Herter's personal physician provides his own answer to the question. The 64-year-old New Englander, he says, "is perfectly capable" of carrying the full burden of the office.

Herter suffers from arthritis of the hips. It causes him to bend his six-foot-five frame forward when he walks. Ever since he became Undersecretary of State two years ago, Herter has relied on light-weight metal arm crutches to move about.

ALERT REMINDER
Just another reminder that an urgent appeal has been issued by Civil Defense officials for co-operation on the part of Warren citizens residing in so-called "Flood areas" to cooperate in tonight's "Alert!" They insist that the drill will succeed only if the general public participates.

Civil Defense wants families to telephone "263 or 14" between eight and nine o'clock tonight. Two amphibious Ducks will be used in pairs to remove residents from homes in the South Side and West Side. The Rescue Truck will answer East Side calls, while Station Wagons will substitute for boats in answering calls to Water Street, lower Market street and adjoining areas. This routine may be changed, however, depending on the number of phone calls that are received.

It should be emphasized that the alert will have special observers here from Harrisburg, Butler and Erie because Warren has earned the enviable reputation of fighting past floods without loss of life, a record that has earned admiration from CD workers throughout the state.

Call 263 or 14 between eight and nine o'clock this evening—the life you help to save may be your own!

All television and radio stations in the country will go off the air for half an hour Friday morning signaling the start of the annual National Civil Defense Drill. Office of the Civil Defense Mobilization reminds the unusual silence will begin at 11:30 a. m., EST. About 1,200 radio stations will resume broadcasting immediately on the two "Conelrad Civil Defense frequencies—640 and 1240 on the radio dial. The test is designed to prevent a potential enemy from making a false broadcast intended to confuse civilians during an attack. During the Conelrad test, Gov. Lawrence will speak to Pennsylvanians.

WORLD TODAY

A meeting of grave importance to the Western world opens in Cairo today.
After much jockeying and many postponements, the Arab League's holding its first petroleum conference, attended by representatives of both the producing and consuming countries of the Middle East.
Iraq, one of the big producers, will not be represented. A combination of Arab rivalries and Communist pressure has fomented a violent feud between the Iraqi regime of Premier Abdel Karim Qassem and President Gamal Abdel Nasser of the United Arab Republic.
Communist influence is likely to figure heavily in the Cairo deliberations. Already the Communists have opened an offensive to identify the congress with the cold war between the Kremlin and the West.
Inspired and instructed by Soviet experts, the Communists are attempting to put a painful squeeze on Nasser.
The purpose of the conference is to determine ways to use the wealth from Arab oil to better the lot of all Arab countries.
This oil cannot be produced without the Americans and British. Many of the participants in the congress, indeed, will be representatives of American and British companies operating in the Middle East. Only a few Arabs are competent to discuss the vast complexities of the oil industry, and surely the Arabs must have Western technical advice and assistance in any program they undertake.
The Communists, therefore, find themselves in the position of being able to resurrect a specter which so often has moved Arabs to violence: Western colonialism.
American and British participation in the congress, the Communists are saying in a mammoth propaganda drive, proves Egypt's Nasser is the tool of imperialism and should be overthrown by patriotic nationalists. This attack has a number of purposes.
At all costs, the Communists want to keep Iraq out of any all-Arab scheme to use the oil riches Iraq represents a future golden opportunity for a first Communist grab at control in Arab oil affairs.
At the same time, the Communists want to weaken other Arab rulers, in Kuwait, Saudi Arabia and the little British protectorates. The Communists will try to make the rulers suspect in the eyes of nationalists. America and Britain, the Arabs are told, support hated Israel. American and British "monopolies" collaborate with Nasser to exploit Arab riches. Nasser is trying to grab Iraq's oil for his own purposes, the Reds charge.
Nasser is in a bit of a fix. In his furious eruption of anti-West fever between 1955 and late 1958, he made much of his economy and military establishment dependent upon Moscow. Moscow is in a position to hurt him unless he can get massive support from the West. But his attacks on the West have him far out on a limb, perhaps unable to crawl all the way back.
Arab oil keeps the wheels of Europe's industry turning. Any development regarding its future is of grave concern to the West.

Special questions on migration will be asked in the April Census Population Survey, according to Supervisor Edgar L. Bryan, of the U. S. Census Bureau's regional field office at Pittsburgh, which will participate in the survey. Similar migration questions asked in the Current Population Survey last year revealed that 33 million people, or 19.8 percent of the 168 million persons in the civilian population one year old and over, moved from one house to another between March 1957 and March 1958. Two-thirds, or 22 million, of the movers in the 1957-1958 period changed residences within the same county. One-third, or about 11 million, moved from one county to another, with this group divided about half and half between intrastate and interstate movers. The West continued to have the most mobile population, 26.7 percent having moved in the 1957-1958 period. The mobility rate for the South was next highest with 22.8 percent, while the rate for the North Central Region was 18.2 percent and

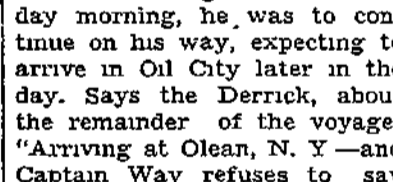

the Northwest, 14.3 percent. The migration questions will be in addition to the regular monthly Current Population Survey inquiries on employment and unemployment. Current Population Survey information will be collected locally during the week of April 20.

Secretary of Forests and Waters Maurice K. Goddard cautions all travelers through State Forest areas to "exercise extreme care and not start costly forest fires through carelessness." Goddard pointed out that a rash of grass, brush, and forest fires swept across the Southern and East Central sections of the state during the final weeks of March. "This did not give us a very good start for the 1959 fire season," he remarked. "The state set an excellent record in 1958. I would hate to see us lose these gains through sheer carelessness on the part of some of our citizens." The Forests and Waters Secretary pointed out that now that Winter has come to an end, Pennsylvanians are flocking back to the state's outdoor recreation areas. "Our Commonwealth has more forest recreation areas than any state except Oregon," he commented. "Let's not destroy this priceless asset through carelessness. Ash trays in cars should be used. Don't throw your lighted cigarette butts out the car window. Campfires should be built in a safe place and wet down thoroughly before being left unguarded. Burn your trash on damp days or during the evening hours when the wind has quieted down."

Anticipating the arrival any day now of Captain Frederick Way, of Sewickley, with his paddlewheel boat "The Lady Grace" on its second trip up the Allegheny it may be timely to print a few facts about the famous river skipper and his unusual vessel, from information contained in an article in The Derrick of recent date. This is the second trip up the river for Lady Grace. In March of last year the boat made its maiden trip up this way, creating sudden excitement and attracting hundreds of watchers at all points along the shore. The Lady Grace, this year, has a two-way radio. Captain Way's first radio message was directed to the Lockmaster of the Emsworth Dam, south of Pittsburgh, to ask him to be prepared to lock the boat. He docked at Emlenton at three p. m. Monday, mooring at the rear of the William Noel residence and left Emlenton early the next morning for Franklin, with George Yates and John Borland as assisting crew. Wednesday morning, he was to continue on his way, expecting to arrive in Oil City later in the day. Says the Derrick, about the remainder of the voyage: "Arriving at Olean, N. Y.—and Captain Way refuses to say just when he thinks that will be, he will be joined by Col. W. W. Smith, Jr., of the U. S. Engineering Department in charge of the Allegheny River from the New York State line to Pittsburgh. Col. Smith is in charge of the Kinzua Project. At this point, another interesting guest will go aboard. George Heron, full-blooded Seneca Indian and president of the Seneca Nation, which currently has a lawsuit against the United States before the Supreme Court to fight the Kinzua Dam project. The meeting between Col. Smith and President Heron promises to be interesting to say the least. Captain Way laughingly says he expects his guests to smoke the peace pipe on board. Captain Way is the author of several books featuring the Allegheny River. He is the only pilot licensed to pilot on the Allegheny as far north as Olean, N. Y."

Busy Bee Humphrey Seeks To Harvest Voters' Nectar
By PETER EDSON
NEA Washington Correspondent

WASHINGTON—(NEA)—There's no doubt about it any more. The U. S. senator who is running the hardest for the 1960 Democratic presidential nomination is 48-year-old Hon. Hubert H. Humphrey of Minnesota.
There hasn't been anything quite like it since Tennessee's Sen. Estes Kefauver tried to shake hands with every voter in the U. S. Senator Humphrey travels, makes speeches, issues statements, writes letters, sees people, talks to college and church seminars and groups of visitors wanting a briefing.
In addition, he carries on his work as a senator, serves on three major committees and is chairman of five subcommittees.
IN MARCH, ALONE, he introduced 32 bills and resolutions and made remarks on 58 different subjects on the floor of the Senate. But it's the senator's out-of-town schedule that excites the awe and shows how hard he's running for office. Between Jan. 1 and June 1 of this year he will have made at least 50 scheduled out-of-town speeches and no telling how many unscheduled ones.
In January he hit Chicago, Buffalo and New York City twice. In February it was Philadelphia; St. Joseph, Mich.; Helena, Mont.; Bellaire, Ohio, plus Minneapolis and Chicago twice.
In March it was Springfield, Ill.; E. St. Louis; Cleveland; Milwaukee; New York again; Charlottesville, Va.; Jamestown, Niagara and Geneseo, N.Y.; Charlottesville, W.Va.; Gainesville and Jacksonville, Fla., plus Miami and Chicago twice each.

IN THE FIRST 10 days of April, Oak Ridge, Tenn.; Westchester County, N.Y.; Worcester, Mass., and Arlington, Va.
But on April 19, Senator and Mrs. Humphrey will set out on a week's tour to win the west. It will involve at least 14 speeches and meetings with Democratic leaders.
In Seattle April 20 he'll breakfast with Democratic leaders. Drive to Hanford and Richland where he'll speak to all Washington State county chairmen with Governor Rosellini.
April 21, Eugene, Ore., in Rep. Charles Porter's district. April 22, before state central committee and all Democratic legislators. April 23, fly to San Francisco. Lunch with Northern California Democratic Club. Drive to Sacramento in Governor Brown's car, and be his guest at a private dinner and for the night.
Speak to California legislature next day and then fly to Los Angeles for a speech that night at annual Roosevelt Dinner of Democratic Central Committee.

APRIL 23, FLY to Salt Lake City for state Jefferson-Jackson Day Dinner, where he'll be introduced by Senator Moss. April 26 to Casper, Wyo., for statewide Democratic brunch with introduction by Senator McGee.
Next day Senator Humphrey will be back in Washington for speech to U. S. Chamber of Commerce convention.
Senator Humphrey's schedule for May isn't very full yet. Only six speeches scheduled for a New Hampshire tour; York, Pa.; Milwaukee again; two meetings in New York and Truman birthday speech May 8 at place not yet chosen.
Wisconsin wants him in June for a state swing to offset Massachusetts senator Jack Kennedy's tour there. In July he's booked for a conference of mayors in Los Angeles.
Where does he get the energy? Well, he says that as a boy, he had to work in his father's drugstore. It opened early and closed late.
His father never told him when to go to bed. But he always made him get up early. He figured the boy would catch on. Habits formed and stuck.

BEE FOODS ARE FOR THE BEES

Food faddists balked the public out of 1 million dollars last year, which is double the 500 million estimate of 1954. These figures are the result of a joint survey conducted by the American Medical Association, the Federal Food and Drug Administration, and the National Better Business Bureau.

Several months ago I wrote an article panning Royal Jelly because of the miracle powers attributed to product by its promoters. Some women have the money to spend on such compounds. One, a reader of this column, took me to task in the following letter:

"Why, of course, women don't believe the advertising copy. 'Royal jelly is the essence found in the queen bee who lives forever,' ect. We really don't want to live forever nor do we want to look like grandmothers. It's just that it gives us a lift. We feel well groomed, well cared for queenlike—and it's all paid for by a well meaning loved one's money."

Pollen, a staple food for bees, is the latest phony wonder food. The Federal Food and Drug Administration announced seizure of stocks of chocolate candy and food supplements containing pollen as a so-called miracle ingredient, with honey to improve the taste.

The accompanying literature is full of whoppers: "Using the capsules will 'promote' long life, youthfulness, relaxation, and sleep. Worn out tissues will be repaired, sexual potency enhanced, and appetite will be checked so that weight will be lost. Not only that—pollen food will soothe the stomach, relieve cough and arthritis, ease symptoms of hay fever, heal burns, prevent fatigue, and aid digestion."

This is a free country and women can spend their money on anything their hearts desire. But we hate to see them made fools of by faddists and shuck salesmen. A balanced diet, eight hours of sleep at night, out of

Business Mirror

Editor's Note:

How does American business profit by manufacturing abroad? And how do the other nations benefit from it? In the following, last of a series, Sam Dawson, AP business news analyst, discusses the new concept of foreign trade.

By SAM DAWSON

AP Business News Analyst
NEW YORK (AP)—American businessmen must adjust to a new concept of trade. That is, companies must think less about export sales—the traditional concept—and more about international sales.

Make your goods where you can do so best and sell them where you can beat your competitors regardless of where you made them, even if it means importing your own products and selling them here.

That's what Sidney C. Moody, director general of Cyanamid International, a year-old division of American Cyanamid Co., sees on the horizon.

The international division now accounts for 15 per cent of the parent company's sales of chemicals and drugs. It operates in 80 world markets.

Since the war Cyanamid has put more than 15 million dollars into overseas plants and sales units.

"We plan to expand overseas as fast as the general economy and other factors permit," says Harry F. Bliss Jr., director of operations for the divisions.

It now has seven wholly owned plants abroad, two owned jointly with local manufacturing firms, several others with Cyanamid owning 40 per cent of the stock, and wholly owned distribution and sales organizations in 12 countries.

The reasons it plans to go on expanding in this direction are these: To get by the currency restrictions which some nations still have, to avoid the tariff barriers against American goods; with a special eye on the common market developing in Europe; and to overcome the competitive disadvantage which rising production costs here impose.

Moody stresses that the host lands to his company benefit too. When an American company puts up a plant abroad it creates new jobs and usually introduces into the country new techniques and efficiency. The other country also acquires a dependable source of supply of the product, one that could be cut off by war if made only here. And the big benefit often is that the other nation can serve its foreign exchange reserves.

American business is migrating overseas, just as in our early days European industry set up branch shops here.

"Time Out for Ginger"

DENNIS BONAVIDA

ROSEMARIE DANGELO

When the Warren High School junior class presents "Time Out For Ginger" in Friday and Saturday evening performances in the school auditorium, the lead role will be played by Rosemarie Dangelo, and Dennis Bonavita will have the part of her boy friend.

Ginger Carol is a 15 year old schoolgirl, bound and determined to play football with the boys she believes she can out-run, out-tackle, and out-play on the field.

As the action unfolds, her belief that girls and boys are equal causes quite an uproar in the Carol household, their school administration, and the

PRE-SCHOOL MOTHERS

At the regular monthly meeting of Pre-School Mother's Club held in the Pennsylvania Gas Company demonstration room, Lorraine Church announced final plans for the annual dinner to be held in May.

A nominating committee comprised of Deloris Bartholomew, Mary Black, Shirley Culbertson, Lorraine Church and Polly Marti, was appointed and nominations presented. New officers will be announced at the annual dinner.

Dorothy Jensen announced a picnic to be held in June with Alice Peterson giving a most interesting demonstration on outdoor cooking and suggested picnic menus. Related booklets were given those present, and several members.

Refreshments were served by Sue Heubach, Sherry Bevelino and Sophia Prodromou.

DANCING PARTY

Rebekahs, Odd Fellows, and Encampment members will be entertained from 9:00 p. m. until midnight Saturday for round and square dancing in the IOOF Hall. The affair is being arranged by the social committee of the three groups and all members are cordially invited.

YOUTH WEEK THEME

The selected theme for Youth Week at Clarendon Church of God is "On the Alert" with activities in full swing. Just as the U. S. Army recruits young people, the group plans to seek recruits for God's army with fifty to be converted.

Monday was enlistment day; Tuesday named as "stay with company" day; Wednesday, "on the alert for mine infested territories" and tomorrow set aside for operation recruit. Friday and Saturday also have special designations and a special invitation is extended Clarendon residents to attend the 7:30 p. m. meetings.

Philomel Club Members Elect Next Year's Officers in Annual Session

Members of Philomel Club enjoyed their spring luncheon at the Woman's Club Wednesday afternoon to bring to a close another successful year of activities.

Hostess chairman was Mrs. V. K. Wendelboe, who, with her committee, arranged tables bright with spring flowers. Following the luncheon, members moved to the meeting rooms for the remainder of the schedule.

Mrs. N. D. Paterson, Jr., opened the business session, when board members gave brief reports of accomplishments and duties performed with their committees during the year. Appreciation was expressed for the fine cooperation received from those who so willingly gave of their time and talents to make each task more pleasurable.

The previously selected nominating committee, Mrs. Carl Lundahl, chairman, with Mrs. Thomas H. Conway and Mrs. Robert Israel, submitted the following slate for the coming year:

President, Mrs. Paterson; first vice president, Mrs. Beyer Africa; second vice president, Mrs. Mayme Ekey; secretary, Mrs. Ralston Dinges; treasurer, Mrs. Richard Hansen; membership chairman, Mrs. Edward Slick; librarian and historian, Mrs. H. J. Grangquist; hostess chairman, Mrs. J. B. Leidig; publicity chairman, Mrs. J. R. McLaughlin; artist chairman, Mrs. J. H. DeFrees and Mrs. Talbot Aldrich.

New Trinity Assistant

The Rev. George Hall, who will soon become assistant to the Rev. Beecher M. Rutledge at Trinity Memorial Episcopal church, was born in Erie and attended public schools in Girard. He received his BSC degree from Grove City College and attended Episcopal Theological School at Cambridge, Mass.

The Rev. Hall was employed by the United States Treasury Department, Internal Revenue Service, in Pittsburgh and Erie offices, for six years, leaving voluntarily to enter seminary. Ordained by Bishop William Crittenden of the Erie Diocese September 21, 1954, he served as deacon in charge of Trinity church, Fairview, for two years while continuing in his secular position. He was ordained to the priesthood by Bishop Crittenden December 27, 1958 in St. Paul's Cathedral in Erie.

Serving as curate at St. Paul's Episcopal church in Malden, Mass., his principal duties involved pastoral calling and charge of Young People's fellowships and director of religious education.

During his senior year at Seminary, he served as assistant chaplain at Massachusetts General Hospital, Boston, and also assisted this year at Church of the Advent there.

With his wife, Emily and children, Alexa, David and Geney, the new assistant will reside on the South Side.

Constitution for Augustana Church Women Is Accepted at Titusville

LUUDLOW — Twelve Moriah Church Women attended the meeting of Warren District Women's Missionary Society of the New York Conference and Augustana Synod, held at Immanuel Lutheran church in Titusville.

Pastor there is the Rev. Russell Lundgren, who is remembered as the son of the Rev. and Mrs. Carl E. Lundgren, who served Ludlow and Sheffield churches for many years.

The District session becomes historic in that the constitution of the WMS was rescinded and that of the new organization, Augustana Lutheran Church Women, was accepted in its stead.

In the biennial elections, Emma Christian, Sheffield, was re-elected president; Edith Larson, Ludlow, was named vice president; Mrs. Everett Benson, Sheffield, was chosen as a director.

Mrs. Enoch Nelson served as leader for a skit, "Introducing ALCW", in which she was assisted by Cathleen Burns, Ludlow; Mrs. Everett Benson and Mrs. Laurence Stotz, Sheffield; Mrs. Carl Lundahl and Violet Lilja, Warren; Mrs. Russell Swanson and Mrs. Albert Meleen, Youngsville.

Mrs. Lawrence Larson of Ludlow, retiring after serving as secretary for six years, was given special tribute by Miss Christian.

Pastor Carl Eliason, of Moriah and Bethany parishes, installed officers; Mrs. Eliason, as chairman of the District constitution committee, conducted its reading and vote for approval; Mrs. Allie Peterson, Warren, and Mrs. Enoch Nelson, Ludlow, with Miss Christian, were the committee. They also served as Conference committee, with Miss Christian as chairman, Mrs. Charles Fetzek, of Moriah Church Women, was teller.

Rose Nelson, Ludlow president, extended an invitation to the District to hold its next meeting here the first Sunday after Easter in 1960. Hereafter, there will be two meetings a year, one in the autumn.

Attending the session from Ludlow were Mrs. Herbert Anderson, Mrs. John G. Johnson, Mrs. Gust Carlson, Mrs. Charles Fetzek, Mrs. Lawrence Larson, Rose Nelson, Cathleen Burns, Mrs. Enoch Nelson, Tillie Olson, Myrtle Johnson, Mrs. William Hanson and Edith Larson.

Miss Christian and Mrs. Enoch Nelson were speakers for the annual WMS meeting of Williamsport District, held April 8 at Renovo, in which the new plan and constitution were also accepted. The same evening, Miss Christian spoke before the women of Tabor church at Kane.

Youngsville BPW Names Officers

YOUNGSMVILLE—Holding its National Security meeting at National Forge clubhouse at Irvine, Youngsville Business and Professional Women's Club had an attendance of 17 members and two guests for election of the following officers:

Evelyn Overturf, president; Mary Morgan, first vice president; Edith Morley, second vice president; Dorothy Henson, treasurer; Helen Piper, recording secretary; Irene Swanson, corresponding secretary.

The club birthday party will be held April 25 at 6:15 p. m. in St. Luke's church parlors, with all clubs of District 1 invited. Reservations must be made with June Carroll no later than April 21.

Delegates elected to represent the Youngsville Club at a spring District 1 meeting at Shenango Inn, Sharon, May 2 were: June Carroll, Mary Morgan and Milie Harner. Alternates named were: Evelyn Overturf, Irene Swanson and Edith Morley. Mrs. Helen Warwick will be guest speaker.

Evelyn Overturf was also named delegate to the annual convention of Federation of BPW Clubs to be held in Pittsburgh June 25 to June 28.

Members enjoyed a program by John Marshall of Youngsville High school, who gave an interesting talk and showed colored slides about "The Facts of Fallout". Mr. Marshall described the importance of being aware of what might happen should cities west of here be bombed and said that it was possible that Warren county would suffer heavy fallout of radioactive material. The speaker also advised four kinds of defense against fallout and stressed importance of cooperating with Civil Defense officials.

Edith Young reported on the Foreign Student Fund; Mrs. Cecilia B. Harry, district director from Titusville, was introduced as a guest and Ruth Olsen announced that Andrea Fitzgerald is qualified and added as BPW Girl of the Month since the last meeting.

June Carroll, Edith Morley and Dorothy Richards were in charge of the program and lunch.

This may come as a surprise to bargain-hunting housewives, but a few of the nation's supermarkets and neighborhood grocery stores have specials on steak this weekend.

True, the prices are not to be confused with those of a few years ago, but at least they are lower than usual by 1959 standards. Round roast also is featured in some places.

Offerings of more expensive cuts reflected the Department of Agriculture's expectation that 1959 output of fed, or higher grade, beef will increase over a year ago.

Turkeys, corned beef, smoked pork butts and leg of lamb are the bargain attraction at some stores. Nearly all show lower prices for eggs, with prices down a penny to 8 cents a dozen.

Potatoes still head the best buy list among vegetables, although total supplies over the next few months are expected to be only moderately above last year.

Sweet potatoes also are an outstanding bargain, along with artichokes, carrots, Florida sweet corn, collards, kale and spinach. Good buys include pascal cel-

ery, iceberg lettuce, asparagus, tomatoes, cabbage, cucumbers and broccoli. Lettuce and asparagus are marked up and produce men warn that some celery shows only fair condition.

Onions are sharply higher and also showing variable condition. Yellow and green squash, snap beans, eggplant and peppers are moderately priced.

Fruit bargains include California

naval oranges, Florida oranges and grapefruit, a few varieties of apples, bananas and pineapples.

Library Holding Open House 7-9 Friday Evening

Remaining events on the Jaycee-sponsored National Library Week program are the Circulation Contest which will continue for the remaining three days; the Open House at the Library which will be held on Friday night from 7-9 p. m.; and the Library Tea for future librarians which will be held from 2-4 p. m. on Saturday afternoon.

Due to the success which has attended the Circulation Contest for children held daily this week, the committee has decided that a drawing should be held for adults tomorrow night. Each adult attending the open house will receive a ticket. At 9 p. m. a drawing will be held, and some lucky adult will receive a book of his choice absolutely free. The drawing is being held to attract new as well as old borrowers to the library, and anyone may enter. Punch and cookies will be served at the Open House.

The Open House held Tuesday night was a decided success with more than 50 people in attendance. A full staff as well as a Jaycee committee member was on hand to take people on a guided tour of the library. There is perhaps no easier way to learn all about the library, how to use books, how to use reference material, what the library has to offer, and how easily one's questions can be answered by a trained librarian.

All area residents are invited to attend the Open House on Friday night at the Library from 7 to 9 p. m.

EXCUSES FOR WORKERS

House has approved a bill requiring municipal employees absent from work more than three consecutive days due to illness to present a doctor's certificate as proof. It also would permit municipal employees to accumulate sick leave over a five-year period rather than the three-year period now in the law.

Clarendon Man Observes 96th Year

William A. Hartman

With an interesting and exciting early occupation of riding logs down Clarion river, William A. Hartman, Clarendon, will quietly observe his 96th birthday anniversary Saturday.

Mr. Hartman was born in Shippensburg, Clarion County April 18, 1863. As a young man he rode logs down the Clarion to Pittsburgh. In later years, he operated a farm on Miller Hill, from which he retired 21 years ago.

Mr. Hartman then came to Clarendon to live with a daughter, Mrs. Laura Steele. Besides Mrs. Steele, he has another daughter, Mrs. Clifford Fotherman, Warren, nine grandchildren, 16 great-grandchildren and five great-great-grandchildren.

In nice weather, Mr. Hartman walks to church each Sunday. Just this past winter, he shoveled snow from a porch roof. His hair remains dark with streaks of gray.

A quiet observance of his anniversary with the immediate family is planned Sunday.

Times-Mirror joins with Clarendon in extending best wishes to Mr. Hartman.

Electronic Technician Service Association

A meeting was held recently at the American Legion Home by servicemen and dealer servicemen of Warren and vicinity, for the purpose of forming an Electronic Technician Service Association. The association was started, and a president, secretary and treasurer elected. Purpose is to promote a better understanding between the public and the dealer servicemen of Warren county.

A code of ethics is adhered to by each member that in the repair of TV, radio or any other electronic equipment, all new parts and the highest quality of work will be performed. All service is guaranteed, and no member shall charge for parts or work not performed, or the member will be dropped from the association. Also, each member will itemize each bill, including parts and labor.

In addition, each member agrees to have sufficient electronic equipment to do a top quality job. A grievance board will also be set up to attempt to straighten out any misunderstanding between the public and any member's service job.

All of these points are for the benefit of the public, in order to insure them of getting the highest quality of labor.

Dirksen Declares Himself on Taft-Hartley Changes

WASHINGTON (AP) — Senate Republican leader Everett M. Dirksen (R-Ill.) said today he would oppose the move to knock all Taft-Hartley law changes out of the Kennedy labor regulation bill.

The first major vote on the measure is to come next Tuesday on an attempt by Sen. Sam J. Ervin Jr. (D-NC) to eliminate such changes. The floor debate on the bill started Wednesday and continues today.

Dirksen's opposition to the Ervin proposal voiced in an interview, left little chance of its adoption. Many Republicans are expected to follow his lead, and many Democrats also oppose the proposal.

Sen. John F. Kennedy (D-Mass.) author of the bill, urged the Senate to retain the amendments to Taft-Hartley.

The AFL-CIO has declared it will oppose the bill if the Taft-Hartley changes are knocked out. Several of these long have been sought by labor.

Two of the principal ones would permit replaced strikers to vote in a bargaining election and would legalize prehire agreements in the construction industry.

Bill To Pay Costs of Inauguration Signed

HARRISBURG (AP)—Gov. Lawrence Wednesday signed into law a bill appropriating \$25,000 to pay for his inauguration last Jan. 30.

The appropriation includes money for erection of an inaugural booth and special grandstands in front of the main capitol building. The facilities went unused when inclement weather forced the inauguration indoors at the state Farm Show Building.

Legislation pending in the Senate would require that all future inaugurations take place at the Farm Show arena. The house already has passed the measure.

SOCIETY

Moriah Church
Groups Are Busy

LUDLOW—Moriah Lutheran Churchmen had a fine attendance for their regular meeting, conducted by President Lawrence Larson. Pastor Carl Ellason had the devotion, after which members made plans for representation at the New York Conference Churchmen's meeting at Taber church in Kane and the Warren District meeting in Warren in May.

Alan Dunkrack, of the U. S. Forest Service, showed a film concerning forest fire fighting. At the close of the session, refreshments were served by Mr. and Mrs. Lawrence Larson, Mr. and Mrs. Leroy Johnson.

The congregational causes committee, Moriah Church Women's Service Committee, held a meeting at the church for house-cleaning and other arrangements. Mrs. William Hanson secured the committee; Mrs. Frank Nelson was chairman of activities; Mrs. Emil Nelson and Mrs. W. Hanson conducted the evening's duties.

Mrs. Stanley Carlson entertained Moriah Choir at her home for its regular rehearsal last week. A special feature was playing of the Augustana Lutheran recording of the new Lutheran Liturgy, a record purchased by Moriah Churchmen. In conclusion, refreshments were served from a beautifully appointed table.

In connection with acknowledgment of flower and folder memorials, it was announced anyone caring to pay tribute to relatives and friends in this manner may contact Mrs. William Hanson concerning flowers, Pastor Ellason about folders.

RUSSELL UNION
HOLDS MEETING

Russell WCTU met in the church Tuesday, with Florence Pangborn presiding. The meeting opened with words of tribute for Mrs. Anna Yaegle and "I am Thine, O Lord" was sung in her memory, followed by prayer. Resolutions of respect were placed in the Union's Records. Devotions were given by Hallie Russell with prayer and discussion of questions.

Flower Missions Director, Ethel Baker, reported on visit of five members to the Rouse Hospital where Easter baskets, candy, cookies and literature were given to the 103 patients. Flannelgraphs have been bought to be used by the Bible Club teacher, and an effort will be made to observe Temperance Sunday in churches. A large collection of cancelled stamps was sent to The Pocket Testament League, Freeport, N. Y.

One chapter of the study book, "Curse of a Nation," by Crowley, was reviewed with Ethel Baker, Viola Putnam, Florence Perrigo, Edna Hedges and Martha Houghwot taking part. Florence Pangborn read "The Bible and What It Says About Wine," by Bertha R. Palmer. Edna Hedges gave the benediction.

Warren County Motor Club
Presented Plaque by AAA
For Membership Progress

Highlight of the April meeting of the board of governors of the Warren County Motor Club Wednesday evening following dinner at the Blue & White Restaurant was the presentation to Office Secretary Mary Corah, by Homer M. Bowersox, a plaque received from the American Automobile Association for outstanding membership development by the club during the year 1958. In connection with the receipt of the emblem the board was advised that the membership in the club April first was 4062 as compared to 3654 on the same date a year ago.

It was pointed out that the award was made in recognition of attainment in all phases of membership activity, being one of three AAA Clubs in Pennsylvania to be so recognized, and one of 27 in the entire country. In making the presentation Mr. Bowersox said: "As Chairman of the Membership Committee, I am happy to present to the office personnel of the Warren County Motor Club this membership achievement plaque presented by the American Automobile Association, Washington, D. C., for outstanding achievement in all phases of membership activity during the past year and it is the hope that the current year will prove even better."

The award was made on the basis of club membership records for the year 1958. The Warren County Motor Club now has 4062 members, but the achievement award was made because the Club's 1958 membership met or exceeded four requirements: (1) total membership of at least 5% of the passenger car registration in the area; (2) new membership increase of at least 3% over the

previous year; (3) membership renewals at the rate of 85% or better; and (4) total membership increase of at least 300 over 1957.

Reports showed that 123 members and 18 from out of town received road emergency service during March, and 42 members were serviced by out of town clubs. A total of 431 members had near service, 54 non members, while 82 members and 15 visiting members were furnished routings.

It was reported that the nominating committee has completed its work for the annual meeting in May. Progress was reported on negotiations to have safeguards placed at dangerous railroad crossings at Kinzua and Sugar Run.

It was decided to have the club represented at the Pennsylvania Motor Federation meeting June 10-11-12. Endorsement of the annual Jaycee Road-E-O planned for Saturday, May 3rd, was also given in the form of a substantial donation.

In attendance were President L. O. Eisenhauer, who was in charge, Mary Corah, D. E. Schuler, Nels Anderson, Neil Culbertson, Clarence Akeley,

George Seavy, Dick Morrison, A. L. Rasmussen, H. B. Bowersox, R. L. Blodgett, Palmer Davis, Clifford Johnson, Ed Lowrey, Gerould Ostergard, James Springer, John King, and James Blomquist.

Rolling and Food for Family Night Goers

Family Nights at Warren YMCA are in their fourth year with many decided successful events in the past.

Events for the Saturday night fun are planned nine months in advance. Themes and committees vary each month. Purpose of Family Night is to interest the entire family in doing things together.

Recent events that were successful as reported by the committee includes bingo party, green dinners, hallowe'en party, Santa scramble, taffy pull, hula hoop party and many more.

This coming Saturday is another Family Night party. Theme is "Snorkel Snack". Games and races will be played in the swimming pool starting at 7 p. m. Any swimming or diving equipment may be used.

Non-swimmers may enjoy the event by "just bringing plenty of enthusiasm and a hearty appetite", a committee member said. Refreshments will be served in the Y lobby following the pool activities.

Fee for non-members is 50 cents, refreshment charge is 25 cents.

Questions and Answers On New Pa. Sales Tax

By LEONARD A. UNGER, HARRISBURG (AP)—Questions and answers on the operation of the new 3½ per cent sales tax law:

Q. What is taxed at 3½ per cent?

A. Everything that was taxed at 3 per cent, plus other items.

Q. What other items?

A. Electric, telephone and telegraph bills, except for toll calls out of the state; tools and maintenance equipment purchased by public utilities; charges for repairs and services in certain instances.

Q. How about restaurant meals?

A. Restaurant meals previously were subject to the sales tax only when they cost 50 cents or more. Now, they are taxable starting at 11 cents.

Q. What is meant by repairs and services that are subject to the tax?

A. If the article upon which work is performed is a taxable article, then the repair, installation or service of that item is taxable.

Q. Using a television set as an example, how would the tax apply?

A. To start with, a television set is subject to the sales tax upon purchase. Before you paid the tax only on the tubes and other parts that went into repairing the set.

Popular Official At State Hospital Honored by Staff

Mrs. Lelah Wagner, R. N., above who has occupied important posts at Warren State Hospital since she joined the nursing staff of the hospital on Nov. 16, 1950, was honored by the hospital at a tea in the parlors of Guth Building, the nurses' home, Wednesday afternoon.

Mrs. Wagner and her late husband, John Louis Wagner, had purchased the Bonifay Nursing Home, Bonifay, Pa., prior to Mr. Wagner's death last March 16, and Mrs. Wagner will leave late this month to operate the nursing home.

The Wagner's came to Warren county from Washington, D. C., in 1948, and general nursing was her first duty at Warren State Hospital. Later, she was supervising at Center and supervisor at Admissions Building when it was first opened in March of 1952. She has been assistant director of nurses since 1953.

Extremely well liked and respected by staff and patients as well, Mrs. Wagner leaves Warren State Hospital with the best wishes of a multitude of friends. The tea in her honor was largely attended by doctors, nurses and employees.

BARNES

BARNES — In Youngsville Sunday to help Rachel Barnes, RN, celebrate her birthday anniversary were Mr. and Mrs. Roy Barnes, Eric; Mrs. Wayne Whittom and daughter, Dottie; and Mrs. Della Ewings, of Barnes; Ruth Work and Lucille Baynes, Sheffield.

Mrs. Evelyn Burlingame, Mable Carlson and Mrs. Gust Gustafson, of Sheffield, were callers on Saturday. Miss Barnes was the recipient of four beautiful birthday cakes, many cards and gifts.

Mr. and Mrs. John Lewis and daughter, of Little Hocking, O., were weekend guests of her parents, Mr. and Mrs. C. E. Jeffords. Another daughter, Mrs. Wallace Banks, of Dallas, Texas, is also visiting at the Jeffords home. Friends will be glad to hear that Mr. Jeffords is able to be up each day in a wheel chair. He will be unable to walk for six months and will enjoy seeing his friends while a shut-in.

Mr. and Mrs. George Conquer spent Sunday in Jamestown, guests of Mr. and Mrs. Alfred Swart. Spending the week at the Conquer home is Mrs. Icah Lewis, of Mt. Jewett.

Pittsfield Garden Club entertained Warren County Garden Clubs at a dinner Wednesday evening. Several local members attended.

Bert R. Hover, Townville, here to attend a meeting at the Eisenhower School Tuesday evening, was an overnight guest of his parents, Mr. and Mrs. Walter Hover.

IRVINE

IRVINE—The WSCS of the Methodist church held its April meeting at the home of Mrs. Otto Bliss, with 12 members present. Mrs. Wing, president, conducted the devotions and the program; Mrs. Ray Ongley gave a reading; the missionary study was on the new state of Hawaii.

A routine business meeting was conducted by the president and a rummage sale planned for the near future. A social hour followed and refreshments were served by the hostess. The May meeting will be held at the home of Mrs. Frances Thompson.

Mr. and Mrs. Thomas Snyder, of Ludlow, were Sunday guests of their son, Arthur Snyder, and family.

Mr. and Mrs. Arthur Hamblin were visitors of relatives in Jamestown last week.

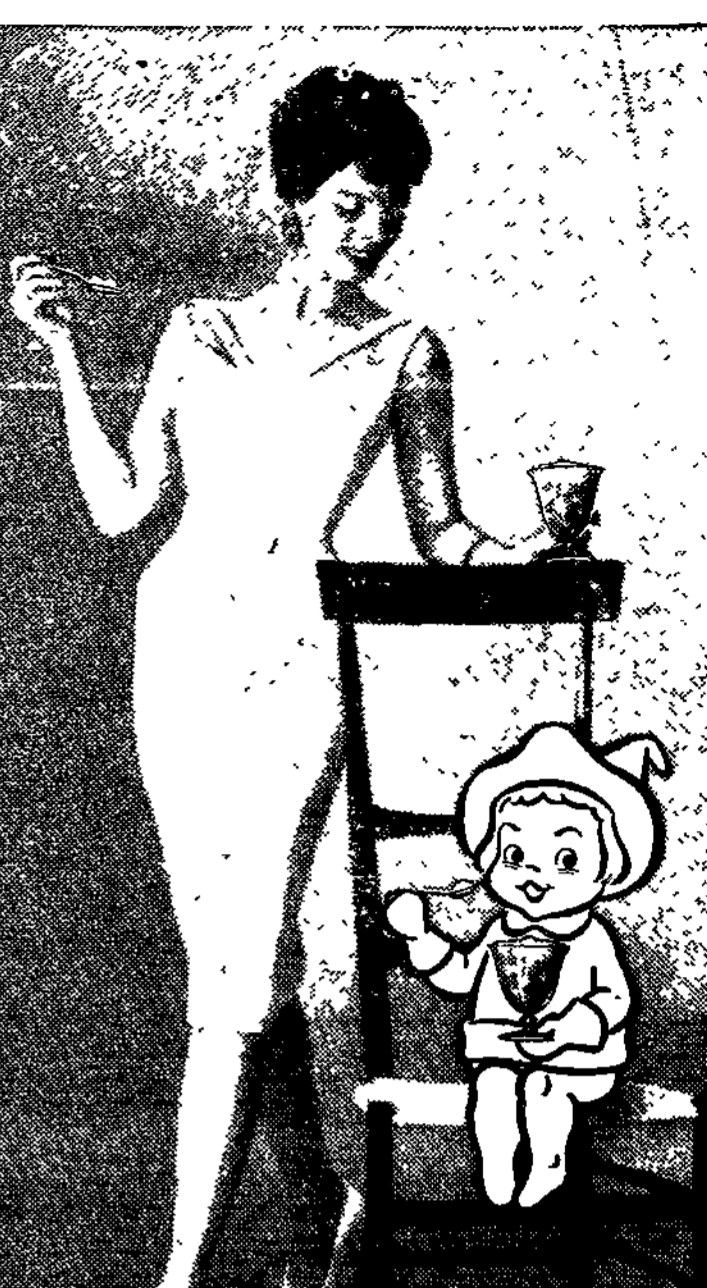

Mr. and Mrs. Harry Munksgard have returned from a very enjoyable vacation in Florida with friends and relatives.

Mr. and Mrs. Emil Bundy and family were dinner guests of the latter's parents, Mr. and Mrs. Chester Morse at Tidouate Sunday.

weekend were Mr. and Mrs. John Verbosky, of Harwick. Mrs. Mary Bozich has arrived in town to make her home with her daughter, Mrs. Verbosky and husband.

Mr. and Mrs. J. C. Cuntin were in Sigel Sunday to visit at the home of Mr. and Mrs. William Schattenberg.

ORDINANCE NO. 692
REQUIRING THE PAVING AND CURBING OF ALEXANDER STREET BETWEEN THE EASTERLY LINE OF CONEWAGO AVENUE AND THE EASTERLY LINE OF WOOD STREET; FIXING THE WIDTH OF SAID PAVEMENT; AUTHORIZING THE PURCHASE OF LABOR AND MATERIAL THEREFOR; AND DESIGNATING BY WHOM THE ASSESSMENT OF THE COST THEREOF SHALL BE MADE.

The Burgess and Town Council of the Borough of Warren, Pennsylvania, hereby enacts and ordains as follows:

SECTION 1. That Alexander Street from the easterly line of Conewago Avenue to the easterly line of Wood Street be and the same is hereby authorized, directed and required to be paved and curbed and the construction of the necessary drainage and other appurtenances with regard to said paving and curbing is authorized and directed. The said paving and curbing is to be of crushed stone, gravel, Pennsylvania Specification Type "E" paving material, amiesite, asphalt, concrete or other suitable material as said Council may determine. The whole of said work to be done under and subject to the provisions of an Act of the General Assembly of the Commonwealth of Pennsylvania approved July 10, 1947 and the several amendments thereto and supplements thereof.

SECTION 2. That said Alexander Street between said points be paved to the width of thirty (30) feet, being fifteen (15) feet on each side of the center line thereof, all of said paving and curbing to be done in accordance with the plans and specifications prepared by Borough Engineer and on file in office of Borough Manager.

SECTION 3. That the work of curbing and paving and the purchase of all material and labor necessary may be done or furnished in whole or in part by contract let to the lowest responsible bidder or bidders on the plans and specifications of the Borough Engineer, or the same may be done by the Borough authorities as said authorities may determine.

SECTION 4. That all Public Service Companies and adjoining property owners along the line of the said improvement herein provided for, be required to lower the mains, service lines and sewer connections to such depth in the street as they may be directed by the Public Works Committee, or the Borough Engineer and all Public Service Companies or property owners along said improvement be required to install and lower mains, service lines and sewer connections where the same have not heretofore been installed; that said work shall be done by said companies or property owners under the direction of the Public Works Committee or Borough Engineer within thirty (30) days from notice by the Borough authorities so to do, and on failure so to do as here-in required, the Borough is authorized to do the necessary work and make the necessary connections and the cost thereof with ten (10) per cent added, shall be collected as provided by law.

SECTION 5. In case the Borough authorities determine to do the work of paving and curbing, then the Public Works Committee of the Town Council be and the same is hereby authorized and directed when estimates are furnished therefor, to purchase all Pennsylvania Specifications Type "E" paving material, amiesite, asphalt, stone, cement, gravel, tar or other filler, and all other materials necessary or required to pave and complete said pavement, including catch basins and all appurtenances and connections necessary to said pavement and improvement. And the Public Works Committee aforesaid is hereby authorized and empowered to employ all labor required to properly lay and complete said paving, curbing and drainage on Alexander Street.

SECTION 6. That when said paving and improvement shall be fully completed, two-thirds of the total cost thereof shall be assessed to and collected from the owners of properties bounding or abutting on the said Street so improved, by an equal assessment of the feet front, said assessment to be estimated by the Borough Engineer, who shall certify in writing to and file with the Borough Secretary the date of the completion of said improvement and the property adjoining or adjacent to the same assessable under this Ordinance.

SECTION 7. Any ordinance or part of an ordinance conflicting with this Ordinance is hereby repealed insofar as the same affects this Ordinance.

That said Eddy Street between said points be paved to the width of thirty (30) feet, being fifteen (15) feet on each side of the center line thereof, all of said paving and curbing to be done in accordance with the plans and specifications prepared by Borough Engineer and on file in office of Borough Manager.

SECTION 3. That the work of curbing and paving and the purchase of all material and labor necessary may be done or furnished in whole or in part by contract let to the lowest responsible bidder or bidders on the plans and specifications of the Borough Engineer, or the same may be done by the Borough authorities as said authorities may determine.

SECTION 4. That all Public Service Companies and adjoining property owners along the line of the said improvement herein provided for, be required to lower the mains, service lines and sewer connections to such depth in the street as they may be directed by the Public Works Committee, or the Borough Engineer and all Public Service Companies or property owners along said improvement be required to install and lower mains, service lines and sewer connections where the same have not heretofore been installed; that said work shall be done by said companies or property owners under the direction of the Public Works Committee or Borough Engineer within thirty (30) days from notice by the Borough authorities so to do, and on failure so to do as here-in required, the Borough is authorized to do the necessary work and make the necessary connections and the cost thereof with ten (10) per cent added, shall be collected as provided by law.

SECTION 5. In case the Borough authorities determine to do the work of paving and curbing, then the Public Works Committee of the Town Council be and the same is hereby authorized and directed when estimates are furnished therefor, to purchase all Pennsylvania Specifications Type "E" paving material, amiesite, asphalt, stone, cement, gravel, tar or other filler, and all other materials necessary or required to pave and complete said pavement, including catch basins and all appurtenances and connections necessary to said pavement and improvement. And the Public Works Committee aforesaid is hereby authorized and empowered to employ all labor required to properly lay and complete said paving, curbing and drainage on Eddy Street.

SECTION 6. That when said paving and improvement shall be fully completed, two-thirds of the total cost thereof shall be assessed to and collected from the owners of properties bounding or abutting on the said Street so improved, by an equal assessment of the feet front, said assessment to be estimated by the Borough Engineer, who shall certify in writing to and file with the Borough Secretary the date of the completion of said improvement and the property adjoining or adjacent to the same assessable under this Ordinance.

SECTION 7. Any ordinance or part of an ordinance conflicting with this Ordinance is hereby repealed insofar as the same affects this Ordinance.

RADIO and TV

By CHARLES MERCER
NEW YORK (AP) — Not every successful young performer in television and the theater has heard of the eight-hour day.

Carol Lawrence was discussing this before her appearance tonight in "Too Bad About Sheila Troy" over NBC-TV on "Oldsmobile Theater" (8:30 p.m., EST).

In tonight's TV play, Miss Lawrence, who also stars in "West Side Story" on Broadway, plays a temperamental actress who formerly was a child movie star.

While Miss Lawrence had been singing, dancing and acting in "West Side Story" she has been maintaining a rigorous weekly schedule of study. Her subjects: singing, dancing and acting.

"You never should stop studying," he said. "Both the theater and television are changing rapidly. The theater is a different place than it was 20 years ago. And television is different than it was even two years ago. Increasingly drama displays deeper psychological insight."

"It's no longer enough to be either an actor or singer or dancer. It's a wonderful way of life," she said. "I wouldn't change it."

er. If possible you should be able to do all three. All are related. The old days of the theater are past when you could get one role and play it for the rest of your life. Both the theater and television demand a greater diversity from a performer."

Comely, dark-haired Miss Lawrence was given time off from from "West Side Story" to appear in the TV drama. Her schedule should give pause to many an office worker who feels he is burdened by the 40-hour week.

Her husband, Cosmo F. Allegretti, is a puppeteer on "Captain Kangaroo," the early morning CBS-TV program. That means he rises at 5:30 a.m. As a dutiful wife, she feels that she must too.

She studies her triumvirate of talents in the mornings. Normally she has two matinees and six nightly performances in her physically exhausting role in "West Side Story." Then her husband calls for her at the theater and takes her home. ("Since I get up in the morning, he insists on staying up at night.")

"It's a wonderful way of life," she said. "I wouldn't change it."

The cream puff take-out double sometimes enables you to steal a hand from your opponents. On other occasions it gives them a clue that enables them to fulfill an ambitious contract.

If West had kept his mouth shut North and South might have actually topped short of game and if they had reached game South would surely have lost a spade, two clubs and a heart.

As it was, South won the opening diamond lead in his

own hand and led a heart. West ducked and after dummy's king held the trick South played the jack of trumps from dummy. He was sure that West held only a singleton spade. If it were the queen South was going to lose it and if it were the three-spotted South could do nothing about the whole thing but if it were the nine or ten he was going to make the hand.

East covered the jack with the queen and when West's nine-spotted fell South was right in business. He led a second heart which East won. East returned another diamond and South was again in dummy.

He led the eight of spades and let it ride. West showed out and South picked up East's ten and conceded two club tricks but chalked up the rubber.

A—Pass. You have good hearts but you forced your partner to bid and there is no reason to suspect slam possibilities. In fact, you are not at all sure that there will be any play for the hand.

TODAY'S QUESTION
Instead of bidding four hearts your partner has bid four diamonds. What do you do now?

News of Hollywood

By BOB THOMAS
AP Movie-TV Writer
MARQUETTE, Mich. (AP) — The setting was familiar enough to John Voelker — the Marquette County courtroom where he prosecuted many a case as district attorney.

But the defense attorney was a movie star, James Stewart, and he was questioning beautiful Lee Remick. On the bench was the noted lawyer-turned-actor Joseph Welch. The action was directed by film maker Otto Preminger.

Voelker could blame this invasion on his own double life. To the citizens of Michigan he is known as a justice of the State Supreme Court. But he is also Robert Traver, author of the best-selling "Anatomy of a Murder," and he is here to give advice on filming of the tale.

He is a big, friendly man whose

resemblance to John Wayne was noted by Jimmy Stewart. Between scenes, he lighted a cheroot and talked about his two professions.

It was the voters of Marquette County who interfered with his writing career. Six times they voted him district attorney. The seventh time, they turned him out.

"That gave me the time to be an author," he said. "I took five and a half months off and did nothing but write."

The result was "Anatomy of a Murder."

The justice is keeping a close eye on the film makers and approves the treatment of his book — "there will be no last-minute witnesses, no sitting on the lap of those testifying, no finger-pointing in third degree. That's corn, pure corn, and all lawyers who see trial movies recognize this."

Pennsylvania Department of Highways, Harrisburg, Pennsylvania. Sealed proposals will be received at the office of the Secretary of Highways, Room 506, North Office Building, State Capitol until 11:00 a. m. eastern daylight saving time, May 7, 1959 when bids will be publicly opened and scheduled and contract awarded as soon thereafter as possible for the painting of three (3) bridges, Group 1—W, located in Cranberry Township, Venango County, L.R.65, T.R.32; Scrubgrass Township, Emmenton Borough, Venango County, L.R.75, T.R.38; Mead Township, Warren Borough, Warren County, L.R.95, T.R.6. The locations of the bridges and the description of the work to be performed are fully covered in the bidding blank, copies of which, with the specifications, may be obtained free upon application to the Pennsylvania Department of Highways, Harrisburg, Park H. Martin, Secretary of Highways.

Forest Co. 4-H King and Queen Chosen at Party

Publicity release from the Forest County Extension Home Economist:

The highlight of the Forest County 4-H Kick-Off Party Saturday night was the crowning of the 4-H Queen Connie Benninger and 4-H King Dewey Wagner. The party for all boys and girls eligible to join 4-H was at the East Forest School, Marienville. Approximately 140 members, leaders and parents attended.

The Royal Court members were Esther Behrens, Maxine Chapman, Tom Alitto and Darryl Peterson. Winners were announced by Hubert Saxton.

Gifts and flowers were given by businessment of Forest County. Mrs. A. C. Benninger made the coronations. Judges for the king and queen contest were Mrs. Harry Baughman and Mrs. Earl Seiffert of Marienville, Mrs. Harold Seigworth and Paul Weibel of Tionesta. Their selection was based on the club members attendance and participation in church, community and school activities as well as 4-H activities.

Russell Wagner announced the program. The coronation games, dancing and refreshments were features of the evening. Carroll Howes, assistant 4-H club leader from Pennsylvania State University, directed the dancing. The disc jockey was last year's 4-H King, John Wagner.

Leaders Mrs. Glenn Wise and Georgia Sager were in charge of games. Janice Wise, Karen Gilliken and Carol Daubenspeck led the games.

Refreshments were served throughout the evening by the Marienville Super Slopers under the direction of leaders Mrs. Samuel Phoebe and Judy Gadley. The refreshment planning committee included Mary McDonald, Kathy Vandervort and Kerry Schoolik.

The Nettown 4-H Club contributed cakes for the Cake Walk with Maxine Chapman in charge. Esther Behrens was chairman of her clean-up committee from the German Hill 4-H Club.

The 4-H Kick-Off Party was the beginning of the 4-H season in Forest county. It is sponsored by the Agricultural Extension Association with Mrs. Kathleen Zumbro as extension home economist and Russell M. Smith as county agent.

RUSSELL

RUSSELL—Fifth graders in the local school have been working hard to earn money to finance the annual trip to Pittsburgh and report \$317.72 in their fund to date. The date for this year's trip has been set for May 22.

Mrs. Blanche McJunkin, Mrs. Leah Hale and Mrs. Evelyn Prettymann attended the Northwest District Social Studies Conference at Edinboro State Teachers' College.

Mrs. George Hedges, who celebrated her birthday anniversary on Friday, was honored at a dinner given by Mr. and Mrs. Frank Hills in Warren on Sunday. The table was centered with a lovely decorated birthday cake, and guests included Mrs. Gertrude Feeney, of Russell.

Mr. and Mrs. Dan Larmer returned Saturday from a three-week trip to Albuquerque, N. M., where they visited his sister and husband, Mr. and Mrs. Leon Arnold; also Mr. and Mrs. W. Hall, Mr. and Mrs. Eugene Woodard. Mrs. Woodard is the former Gretchen Janison, of Venturatown.

Mrs. Sylvia Erickson and Mr. Frank Baion, Akelarv, spent Tuesday with Mrs. Larmer.

Friendship Club was entertained at the home of Mrs. Richard Enos, with nine members and one guest present. The next

Emporium Sylvania Club Holds Election

EMPORIUM—Matt D. Burns was reelected president of the Pennsylvania Chapter of the Quarter Century Club of the Sylvania Electric Products, Inc., at a recent annual banquet and meeting.

Others elected were Max F. Balcom and Edward J. Hasselman, vice presidents; George A. Kinsler, treasurer; and Miss Charlotte Henry, secretary.

Prior to the meeting an open house was held at the Sylvania Club starting at 5 p. m. with a dinner and business session at 6:30 o'clock in the Sylvania cafeteria. Some 217 guests attended the affair with dinner being served by the WACS of the Methodist church.

Chapter members in attendance were from Emporium, St. Marys, Warren, Williamsport, Mill Hall, York, Brookville and Montoursville, Seneca Falls, N. Y., and Washington, D. C.

Mr. Burns conducted the business meeting and welcomed Earl Zummer, St., of Emporium, into the Quarter Century Club. Mr. Zummer became eligible on April 2 and he was membership No. 298 in the club.

meeting will be held with Mrs. Andrew Landell April 24.

Radio and TV To Participate in Friday CD Drill

Advance for 6:30 a.m. EST
WASHINGTON (AP) — All television and radio stations in the United States will go off the air or half an hour Friday morning signaling the start of the annual national civil defense drill.
The Office of the Civil and Defense Mobilization said today the unusual silence will begin at 11:30 p.m. EST.
About 1,200 radio stations will resume broadcasting immediately on the two "Conelrad" civil defense frequencies — 640 and 1240 in the radio dial.
The name is an abbreviation of "control of electromagnetic radiation." The system, under which various stations alternate on the frequencies, was designed to prevent enemy bombers from using radio beams to find their targets.
All this will be part of Operation Alert 1959, designed to test the nation's readiness to cope with a rock nuclear attack by planes and missiles.

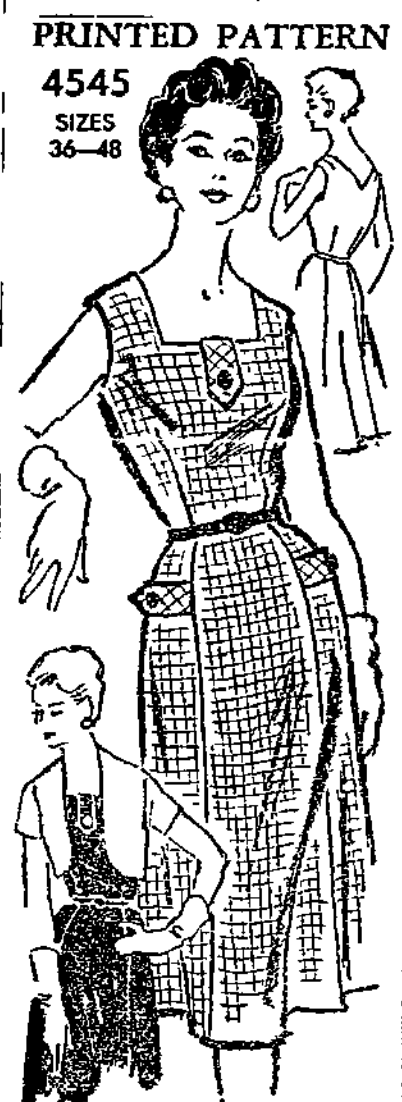

CLASSIFIED ADS accepted until 11 a.m. on day of publication.

Local Photographer Attends Conference

Mr. and Mrs. Everett Stokes, prominent local photographers, have returned from Rochester, N. Y., where they attended a three-day conference of Triangle Photographers Association, which embraces Ohio, Pennsylvania and Virginia.
As guests to Eastman Kodak Company, those in attendance were guided by P. H. Sydney of Eastman's Professional Technical Service Center.
Many fine demonstrations were featured including: Promotional Advertising by Ace J. Christy, editor of "Studio Light"; Printing of Ektachrome Negatives by R. B. Hinman; Black and White printing by W. E. Wolfe, products specialist of sensitized goods sales division.
The topic "Getting the Most from Black and White Negatives" was discussed by Fred Knapp and Gene Botsford demonstrated portrait lighting methods.
Included in the conference program was a tour of Eastman Park which took in paper, film and chemical divisions with a visit to the George Eastman house also featured.

Soap Selling Plans Aids YMCA Campers

A plan enabling boys to earn
money for YMCA camp this
summer was launched this week
with Jeff Riedel, youth director,
in charge of the program. As in
other years, it is a soap selling
project and supplies may be
obtained by calling to the
YMCA tomorrow from 3:00 un-
til 4:45 p. m.

Any boy with parent's per-
mission to sell soap may sign
up for the 1959 sales plan and
adults may secure additional
information by phoning 1000.
Aspects of camping information
will also be made available.

"Y" camp this year will be
held from July 19 through July
26 at Camp Cornplanter on
Kinzua Run. Registrations are
being received at the present
time and it is anticipated that
many boys will desire to "earn
their way" through the sale of
the available Garden Bouquet
french soap. Tomorrow is the
last day to secure supplies.

Yankee Castoff Is
Keeping Stengel
Out of Top Spot

By ED WILKS
Associated Press Sports Writer

The inevitable is getting a bit closer in the American League pennant chase. The world champion New York Yankees are crowding in on first place — and they might be there now except for Woody Held, a kid Manager Casey Stengel reluctantly traded away.

Held, now 27, was an infielder-outfielder, a guy ready made for Casey's multiple defense schemes, and showed promise of power.

Held, traded to Cleveland last season, is hitting nothing but homers at the moment.

His third hit in 17 at bats this year was his third home run (good for seven runs) in two days and beat winless Detroit 2-1 in 10 innings Wednesday. It also kept the Indians unbeaten through four games and pushed them into first place, half a game ahead of the Yankees.

The champs, stopped only by rain so far, won their third 3-1 at Baltimore Wednesday night on Bobby Richardson's two-out, two-run double in the ninth. That jumped the Yankees past the Chicago White Sox, who were bombed off their unbeaten kick 10-3 by Kansas City, and slipped to third. Boston defeated Washington 7-3.

In the National League, second-place San Francisco hammered the Chicago Cubs 7-1. Cincinnati kept Pittsburgh winless 10-5, and Los Angeles beat St. Louis 5-0.

Right-hander Cal McLish took the decision for Cleveland, giving up nine hits. He had a shutout until the eighth inning, when Eddie Yost singled and Larry Doby tripled.

A walk and Andy Carey's single set up Richardson's winning hit for the Yankees off losing reliever Jack Harshman (0-2).

The A's, winning their first made seven of their nine hits good for extra bases at Chicago. Right-hander Bob Guin (1-1) won it, chipping in with his first grand slam homer in a five-run third.

Right-hander Jerry Casale won his first in the majors in his first start for the Red Sox, beating the Senators with a seven-hitter and socking a wrap-up, three-run homer over the faraway left-center field wall in Fenway Park. Russ Kemmerer lost it.

Speaking of Sports

Gymnastics and tumbling are fast catching on in area schools. Tonight in Youngsville High, students will be presenting a gym show under guidance of Miss Shirley Brothers and Alan Tubbs. Their performances will include high bars, parallel bars, rings, tumbling and dancing. Youngsville area residents are encouraged to attend the show. Turn away crowds were present at Beatty Junior High last week on two nights to witness Warren High's gym show.

Northern Area girls at Eisenhower High are getting into the swing of things, also. Friday night will be "Fun Night" with two volleyball games, informal recreation on parallel bars, trampoline, tumbling on mats, ping pong and dancing. Girls Athletic Association is sponsoring the program from 7 to 10 p. m.

Grove City College's famed Girls Synchronized Swimming Troupe will present their annual water pageant tonight and Friday evening. An outstanding water feature each season, this year's show is entitled "Common Scents". Many of the acts utilize special lighting effects, including underwater lights. Program begins at 8 each evening, public invited to attend the free show.

Warmer weather will soon be here, but baseball, softball and golfers have already taken to their respective playing fields and courses. Many little Hot Stove League prospects have been swinging, twirling and fielding with their fathers and friends in preparing for another little league season. Warren Rockets of Inter-City fame took to the diamond this week for initial practice. Courses throughout this section have enjoyed the company once more of many golf enthusiasts. Several anxiously await the completion of Blueberry Hill course.

Detroit Manager
Still Has Faith
In Ray Narleski

DETROIT (AP)—"Things will turn—for Ray and the entire team."

That is Manager Bill Norman speaking of his five-time losers, the Detroit Tigers, and his two-time loser, pitcher Ray Narleski.

"He was just one lousy fly ball away from being a hero," Norman said disgustedly today of Narleski's 2-1, 10-inning defeat at Cleveland Wednesday.

"Now they can call us both bums if they want, but we'll ride this thing out together. We should have won it in the ninth."

Narleski has suffered most in the club's five straight 1959 losses. He has made four relief appearances and has been hit hard in all of them. The right-hander has been charged with two defeats.

"We should have won the game in the ninth when we had runners on first and third and nobody out," said Norman. "Nine times out of ten Ray would have come home a winner."

"He's a pro. I haven't lost an ounce of faith in him."

Norman can speak with some authority on Narleski. He was Narleski's first manager when the pitcher came out of high school and had a 2-10 record at Wilkes-Barre.

Tionesta Meeting
Debates Problems
Concerning Deer

For people to gain a better understanding of management problems as emphasized by the natural resource value of deer in contrast to their destructiveness to forests and farm crops, the Forest County Agricultural Extension Association held a meeting on April 8 in the Courthouse.

Nearly 100 people were present from Forest, the out-of-county places of Wilkes-Barre, Pittsburgh, Franklin, Ridgway, Warren, and State College, and other localities.

A panel of six men moderated by County Agent Russell M. Smith presented angles of the deer problem.

Malcolm M. Armstrong, research forester of Armstrong Forest Company, Johnsonburg, brought out that deer damage is a threat to sustained yield forestry in Pennsylvania.

Information concerning deer populations and management of public forests for recreation as well as financial return was presented by John E. Franson, supervisor of Allegheny National Forest, Warren.

William Motzer, vice president of the County Extension Association, represented local farmers in his reports of damage to farm crops. He said, "Damage by spotlights traveling in fields with automobiles often is more extensive than deer feeding on field crops."

Pennsylvania Game Commission biologist, Stanley E. Forbes of Ridgway, gave results of research work carried on by the Commission.

Color pictures, "Deer Management and You" were used by Robert Wingard, wildlife extension specialist of Penn State, in making a summary of the discussion.

Several questions from the audience were discussed by various members of the panel.

Two publications were distributed to those interested. They were "The Pennsylvania Deer Story 1958" published by the Pennsylvania Game Commission, and "Is Pennsylvania Deer Herd Too Large?" by Fred R. Robertson and Robert G. Wingard, agricultural extension service of Pennsylvania State University.

Point-Shaving
Scandal Player
Wants to Coach

NEW ORLEANS (AP) — Remember Alex Groza, the big fellow who was the heart of Kentucky's 1949 national basketball champions?

The 6-foot-7 All-America faded from the scene after the point-shaving scandals wrecked the Wildcats.

Groza came back into the picture when he applied for the head coaching job at Loyola of the South. The New Orleans Catholic college has been looking for a successor to Hank Kuzma for about four weeks.

"I know I sinned," Groza said in an interview with sports writer Peter Finney, "but I think I've done my penance. I hurt the game now I'd like to do it some good."

After all these years, why the desire to coach?

"Well, I've never really been away from the game," he said. "I've gotten several boys scholarships and done a lot of scouting. I've been particularly helpful to Bruce Hale at Miami."

The point-shaving scandals marred Groza and three of his teammates. By trying to keep the score under a certain spread—for which they received money from gamblers—the Wildcats lost a number of games.

"I'll never be able to figure out why we did it," Groza said. "Guess we got caught up in the times. It was being done by other teams so we went along."

Farrell's \$250
Fine Follows Poke
At Bar Mirror

MILWAUKEE (AP) — The predictors say the Philadelphia Phillies are going to finish last. But if they do, Manager Eddie Sawyer has decided the sign on the cellar door won't read "Playboys of the National League."

He made that clear Wednesday by taping right-handed relief pitcher Dick Farrell \$250 for "conduct unbecoming a major league."

Farrell, taking a poke at a mirror in the washroom of a bar with his pitching hand.

The fine was one of the stiffest ever given a Phillie player.

"I was fined, but I had it coming to me," Farrell remarked. "I was pretty damned disgusted with myself about losing that game to the Braves. All I had to do was hold them for one inning. I didn't do it."

The Phillies had a 3-2 lead over Milwaukee Tuesday when Farrell relieved in the ninth. He gave up five hits and the Braves won 4-3 in the 10th.

Farrell wouldn't discuss his night on the town, but he did say he hadn't injured his hand.

Stovers Play A
Benefit To Open
Little League Ball

With official opening of the baseball season, and that breath of spring in the air, Warren County Hot Stove League goes into action preparing for its opener of the season, benefit the Warren County Unit of the American Cancer Society.

Featured on the big twin-bill will be a six inning game with the 10-11 year olds comprising midget teams of Warren's East Side and North Warren Teams are managed by Ray Matti and John Salamon, Clyde Loomis, Jr. respectively.

And for the second game, first year Intermediates, in the 15 year old category, from Kinzua and managed by Lewis Platt, will go to bat against Warren All Stars, managed by Harry Wooster. Second game will be played on the regulation diamond, and should find some real ball playing in those nine innings.

The games, scheduled for Warren, April 25, will get underway promptly at 7:30, and as a special added attraction, Warren Twining corps, the Starlettes, directed by Ed Hallman, will present the Color Guard, and one of their drills between games. The Corps, sponsored by Jaycees, comprises some 45 girls.

Charles Musante, founder of the Hot Stove League, will be on hand to throw out the first ball, while local sportscaster, Frank Files, will man the mike and handle the stalling lineup.

There will be plenty of refreshments at the various concession stands, according to Dick Meacham, chairman, who will have a special Jaycee work detail helping to serve.

Tickets are now on sale for the game, at the B & B Smoke Shop, or from members of the Hot Stove League. Prize for the highest number sold is a brand new glove and ball.

Rain date is May 2.

Boro Democratic Committee Holds Monthly Meeting

Warren Borough Democratic Committee held its monthly meeting in the large courtroom of the county court house Wednesday evening, with Chairman Tom Conway presiding. The following candidates for May primary elections were introduced and responded enthusiastically:

Prothonotary, Robert Meleen; treasurer, John Solomon; sheriff, John Imperial; registrar and recorder, Vinton Finzer; auditors, Ralph Summerton and Frank Fago; commissioners, Ervina Branch, Mark Summerton, William Martin and Lewis Crippen; school directors, Mrs. David Potter, John Fananitis, Wayne Delchambre.

Councilmen, Mark Bevevino, Victor Graziano, John Fago, Isadore Trager, Karl Petersen, Sr., William Brooks, John Shaffer, Frank Duffy.

Warren County Chairman Frank Fago was then introduced and spoke of two interesting meetings he attended in Pittsburgh and Harrisburg. He also urged support of Judge Michael Egan and Judge Harry Montgomery, candidates for Superior Court.

Due to the elections, the May meeting will be omitted and the next regular session will be held in June.

Large Turnout for Initial Jr. Hi-Y Meeting

Committee heading the formation of Junior Hi-Y Club expressed their gratitude today for all the assistance in making the initial meeting of the club Wednesday night a profitable one.

Meeting in YMCA club rooms, 68 boys from Beatty attended the session. Dave Fuellhart presided. Hugh Higgins was in charge of the opening and closing ritual.

The ritual helps the club to "better understand its purposes and affiliation with the church," a club spokesman said.

A graphic presentation of the purpose and functions of the new club was presented. A summary of principles the membership will be expected to follow was explained.

Applicants enjoyed a swim and fish chase supervised by on staff refreshments rounded out the evening.

Prospective club members will be notified by mail if they have been accepted into Junior Hi-Y. Those accepted will meet next week at the Y for installation ceremonies and election of officers.

"The cooperation of the parents was greatly appreciated, and continued participating will greatly enhance the success of the club," one of the organizers said.

Rappaport, was "a lone wolf" to Nadine Ochoa, head clerk of the San Francisco publishing company where they worked.

She took her coffee breaks and lunches alone, but sometimes bragged about being handy with a knife, Mrs. Ochoa said. Other employees said she carried a knife in her purse.

To school authorities, Rosemarie was a problem, transferred among three high schools for drinking and cutting classes and finally quitting to go to work.

She fired 18 shots from her target pistol at point-blank range into Norry, reloading twice.

She lived at home with her mother, father, and three younger brothers, ages 9 to 13.

She will be charged with murder, said Howard Hartley, district attorney.

County Libraries Cooperating In Summer Demonstration Program

Warren County has been chosen as the site of a County Library demonstration, it was announced today. The program will start about July 1, pending receipt of funds from U. S. government through Library Service Act.

The county applied for the demonstration in January through Warren County Library Advisory Board and Warren Library Association Board of Control.

The plan is to use all existing facilities in the county, meeting minimum standards for local library service. Cooperating libraries will be: Youngsville Public Library, Sheffield Township and Tidoute Public Libraries.

These book outlets will receive rotating collections of currently useful books and other materials.

Warren Public Library will serve as headquarters for the service and all facilities of the local library will be available to Warren County residents without charge.

Even while the jury deliberated Wednesday night, Mrs. Nicholas told reporters she still loved her 54-year-old playboy paramour, Forrest Teel, a drug firm executive.

The jury debated approximately nine hours, with an hour and a half out for dinner, before agreeing on a verdict. Russell Cole, jury foreman, said, "There were more than 10 ballots before we reached the verdict."

He added that at first there were votes ranging from acquittal to first-degree murder, but at no time did any of the jurors mention sending the part Mrs. Nicholas to the electric chair.

The prosecution, which did not ask the death penalty in its summation, termed the manslaughter verdict "fair and just."

Monday Pickup Day for Goodwill Industries

Monday, April 20, has been designated as local Pickup Day by the Buffalo Goodwill Industries. With the onset of spring weather, truck stops will again be made in the fringe areas, as well as in North Warren and Warren proper. A telephone call to Warren 3921 will register any address for this collection.

Contributors are reminded that certain articles can no longer be accepted by Goodwill. These include such large electrical appliances as refrigerators and washing machines, console radio and television sets, large toys, glass fruit jars, and all types of furniture. Clothing, small toys and appliances, and other household furnishings are of great importance in that they provide employment for a larger number of handicapped workers.

For complete information on the Goodwill program, or for Pickup service on April 20, call Mariou Andereg, 3021. Requests for service must be in before Monday.

Arthritis Factor In Appointment Of Sec. of State

WASHINGTON (AP)—Christian A. Herter's arthritis may be a factor in whether he succeeds John Foster Dulles as secretary of state.

President Eisenhower, it is believed, would consider whether the affliction would interfere with Herter's being an active foreign policy chief. Herter is now acting secretary of state.

Herter's personal physician Dr. Theodore B. Bayles provided his own answer to this question Wednesday night. The 64-year-old New Englander, he said, is "perfectly capable" of carrying the full burden of secretary of state.

Herter suffers from arthritis of the hips. It causes him to bend his 6-foot-5 frame forward when he walks.

It's a disease he has put up with for the past 10 to 15 years. Dr. Bayles said the condition has "progressed very little" in the past eight years.

"He doesn't have a crippling kind of arthritis," the doctor reported in an interview. "Mr. Herter suffers some discomfort when he walks or stands for any length of time."

"But he has absolutely no discomfort when sitting at a conference table, for example, or resting in bed at night."

Ever since he became undersecretary of state two years ago, Herter has relied on light-weight metal arm crutches to move about. They relieve the pressure on his hip joints.

Little Gamble in Our Lives Can Pay Handsome Rewards

Live it up! Take a chance—On the possibility that a person you regard as "snoozy" is just shy and would welcome any gesture of friendship on your part. On tackling a job you are afraid you can't do. Being afraid to try the new and challenging is worse failure than tackling a job, even if it should prove more than you can handle.

On trying to turn an acquaintance you admire and like into a friend.

On setting yourself a long-range goal you hardly dare aspire to achieve. People were hitching their wagons to stars long before they ever heard of outer space. And a lot of them climbed pretty high, too.

On trying to become more of a person as the years roll by. You don't have to regard age as your enemy.

On trusting others instead of being suspicious of them. Human beings respond well to trust and so the chances are that your trust will be merited.

On your own judgment and your own set of values, instead of always striving more to please others than to satisfy yourself.

On making a new start if you feel that you are a failure or regard what you are doing with your life as a waste of time.

On saying "I'm sorry" when you've quarreled with someone who once meant a lot to you. That may be all it takes to set things straight.

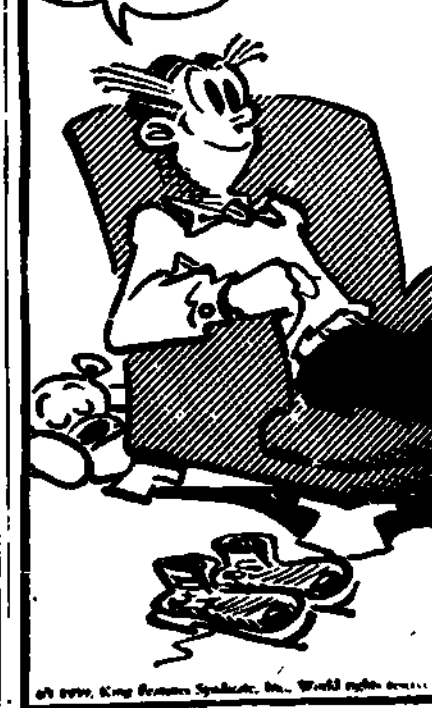

On standing up for your rights if you feel that anyone has been walking over you. You may be surprised at how much more respect you command when you aren't afraid to stand up for yourself.
